The message of the final
messenger Muhammad (SWAS)
was designed and destined by
Allah (SWT) to empower the oppressed
over the prejudiced oppressors, after proper
development of the oppressed by divine
teaching and discipline.

Allah (SWT) says:

وَنُرِيدُ أَن نَّمُنَّ عَلَى ٱلَّذِينَ ٱسْتُضْعِفُواْ فِى ٱلأَرْضِ وَنَجْعَلَهُمْ
أَئِمَّةً وَنَجْعَلَهُمُ ٱلْوَارِثِينَ وَنُمَكِّنَ لَهُمْ فِى ٱلأَرْضِ وَنُرِىَ فِرْعَوْنَ
وَهَامَانَ وَجُنُودَهُمَا مِنْهُمْ مَّا كَانُواْ يَحْذَرونَ

"And We have decided to confer favour upon those who are oppressed in the earth and make them inheritors. And establish them in the earth and show the despots like Pharaoh and his establishment, Haman and their army the consequence they were afraid of."

**(Surah al- Qasas-5,6)**

# THE GATEWAY TO THIS BOOK

There is no god but Allah.

Allah, The God is ONE, without any partner.

His vicegerent on earth, the mankind is One, irrespective of any colour.

Colours do not divide men into races, rather it make the Oneness and the Unity of mankind colourful.

Like, there is only "One Day" in 24 hours, though it has a shining day and a darkening night.

The shining day has got a colourful "Dawn" before its emergence.

So, has a night a colourful "Dusk" before its emergence.

Do the coloured dawn, the bright day, the coloured dusk and the dark night make different days?

Not at all !

So, likewise, the whites, the blacks and the coloured people do not make different races at all !

Mankind is one, as their Creator Allah is One, irrespective of their apparent colours and races.

***

Allah, the God is One, a Singular, no dual or plurality is in Him.

His Truth is one and fixed. It changes not.

This is His Nature, the "Fitrah", He has created the Worlds in nuclear details, which accept no change.

This singularity of the Truth, this Fixedness of the Nature and the unchangeability of the Divine is the Faith, the Religion, The Deenullah, or the Religion of Allah (SWT).

There is no plurality in Allah. So, there is no plurality in the Divine Faith and there is no believers and faithfuls of plural True faiths.

Only the falschoods are plural or innumerable.

When the Truth comes, the falsehood disappears, and the falsehood is ever bound to vanish.

The Religion of the Truth, is, Islam in Arabic.

All Prophets from Adam down to Muhammad are the Messengers of Islam.

Noah, Abraham, Moses and Jesus are the paramounts of the chain with Muhammad as the last and the final.

***

There is no divided nationality or nationalism in the mankind of faith. Satan only divides mankind into nations under nations, and the human progeny of Satan governs those Nation States to Devilize the Divine.

The Prophets were sent by Allah (SWT) to unify again and again the divided mankind into their One Nation.

Abraham came with a major reform of unity. Moses and Jesus followed him. But their followers became two nations, two races, Jewish and Christian, whereas, neither of them were a Jew nor a Christian, but were Upright Muslims of One Nation.

Muhammad, a progeny of the mixed blood of Abraham and Hegar, was sent to unify the divided mankind again for good.

Though Muhammad was born out of an extreme racist Qureish couple, but Allah has cleaned him first making him a destitute orphan and then thoroughly rearing him by a bonded woman Barakah, like Hegar did to Ishmael, according to Judeo-Christian terminology.

Muhammad (SAWS) did the job precisely and perfectly. He raised a nucleus of DIVINE HUMAN NATION by a Qureishi offshoot himself, Barakah an oppressed black maid, Zaid a victim of Arab barbarity, Bilal, a black slave, Ammar and Ibn Masood, oppressed Yeameni, Suhaib, a Roman slave and Salman of Persia. They were the 35 persons out of 40 who embraced the Message of Muhammad (SAWS) first.

Muhammad (SAWS) had to flee away from Makkah and the Makkan Qureish with his life and his message. The people of Yathrib, later Madinah, accepted him and gave refuge to him and his followers.

Muhammad (SAWS) overran Makkah and Makkans, and the Arabs of entire peninsula, defeating the Qureish and their Jewish and the Christian allies.

Muhammad (SAWS) had made Barakah his mother, Zaid and Usamah the Commander of his unified Army.

He declared the inception and the perfection of his Mission and the Message, at his last pilgrimage before his death.

He died, while he made his last and the largest mobilization of his Army, appointing Usamah the Commander-in-Chief, the teen-aged son of his beloved Barakah and Zaid.

He died as Noah, Abraham and Moses died.

But Makkans, especially the Qureish had corrupted his Message and the Mission, saying "The leadership is vested in

the Qureish." as the Jews had corrupted the Message of Abraham (AS), saying, "they are the chosen race."

May be due to ignorance or arrogance, may be both. But the both are unpardonable sins for the people of the Message.

So, the Qureish are gone, Arabs are gone as Muslims. Rather they are at par with Jews and Christian as nations and races.

All Nation States, be it of Arabs, Jews, Christians, Hindus or so-called Muslims, are the States and the Nations of "Kufr" and imposture, Antichrist.

The only way to Salvation is the ONE NATION of Noah, Abraham, Moses, Jesus and Muhammad peace be upon them, and the model is the Nucleus of Muhammad by Barakah, Zaid, Bilal, Suhaib, Salman and Usamah, not Arabs, Americans, Europeans and Asians, nor Sheiahs and Sunnis.

Rise for the zenith, or wait for the Deluge. The Armageddon is just ahead.

This book is for the ultimate One Nation and its leadership.

May Allah bless those who seek His blessings deservingly, before they desire. Ameen.

THE FOSTER MOTHER OF THE PROPHET

MUHAMMAD (SAWS) WHO REARED

MUHAMMAD TO BE THE PROPHET OF ALLAH

**FOR THE ENTIRE MANKIND**

Who was Barakah? Barakah was an Ethiopian black girl in her teens, Abdullah Ibn Abdul Muttalib, the father of the prophet bought her. He bought her from the slave market of Makkah before he married Aminah Bint Wahb, the mother of Muhammad.

When Abdullah married Aminah, Barakah was the lone maid who lived in his house and looked after him and his wife Aminah.

**Barakah narrates:**

'After two weeks of Abdullah's marriage with Aminah, his father Abdul Muttalib visited our house and said. "O Abdullah, get ready for business trip with the caravan which is due to leave for Syria".

"Strange! Strange!! How will my husband leave me for a business trip to Syria when I am still a new bride and the bridal make up of mine is not yet over"? Aminah cried.

After much unwillingness and reluctancy, Abdullah left, and he hardly gone few steps away, Aminah fainted and fell unconscious on the ground.'

**Barakah Continues:**

'When I saw Aminah fell senseless, I cried in sorrow and pain, "O my mistress! O my mistress!!" Then she came to her sense and opened her eyes, and I saw tears were rolling down her cheeks and she said in choked voice: "Barakah, please take me to my bed'.

Aminah remained bed ridden for long time, did not speak to any one except Abdul Muttalib, the respected and kind old man, her father-in-law.

Barakah stops for some time, again she starts narrating the story, she looks at the sky, the tears are rolling out of her eyes and flashed her cheeks.

After two months of Abdullah's departure, Aminah called me at a dawn and said to me with staring face. "I have seen a dream, which is surprising.'

'Well! O my mistress', I replied. She said, "I dreamt this night that a light is beaming out of my womb, which illuminates the circumference of Makhah and its valley".

I asked her 'Do you feel conceived?'

She replied, "Yes Barakah, but I do not feel any of the complications that other women suffer".

I said, 'Surely you will give birth to a baby who will bear the blessings and bounties for mankind.'

**Barakah becomes silent for a few moments and again starts her story**:

'The absence of Abdullah prolonged in his business trip and agonies of Aminah also mounted, increased her pain and apprehension, which longed her sleepless nights to cost her health if I was not always with her consoling and braving with stories and fables.'

**Barakah heaves a deep sigh and says:**

'One morning Abdul Muttalib entered Aminah's house with signs of tension on his face, and said to her, "O Aminah get ready for an exodus out of Makkah to stay in the surrounding mountains of the valley". Aminah exclaimed: "Why father?" Abdul Muttalib replied:

"Because the ruler of Yamen Abraha Al-Ashram has arrived with a massive army to over-run Makkah, demolish Kaabah, humiliate Qureish and captivate the men, women and children." Aminah said, "Father I am grieved as you see, and weak to the extent that I am unable to move to the mountains."

Abdul Muttalib said: "I am afraid about you and the embryo that you are carrying."

Aminah replied: "Father neither Abraha Al-Ashram can enter Makkah, nor destroy Kaabah, because Kaabah has got its Lord to protect it."

Abdul Muttalib said: "The invading army of Abraha is only two miles away from Makkah, and is getting ready to invade Makkah. So it is wise for us to leave Makkah as all other inhabitants have left."'

**Barakah says:**

"But Aminah did not speak." Then Abdul Muttalib cried angrily, and said: "Aminah yeh, get up and prepare with your luggage, and you Barakah help Aminah for journey. I will be waiting for you at my house to leave together for the mountains."

***

**Barakah says further:**

'There were no signs of fear in Aminah, rather she was calm and quiet, listening to Abdul Muttalib and then surprisingly she said :"Oh father, be sure and don't fear anything. Abraha will not be able to enter Makkah." Aminah calmly replied: "The embryo I am carrying, will be born soon, and shall be the saviour of the sancturary, and for its sake, Allah the Almighty will protect the Holy House from destruction."'

**Barakah Further says:**

'When Abdul Muttalib heard what Aminah said, opened his eyes and glared, and raised his face towards the sky and said to himself vociferately: "Dream! illusion ! imagination ???!!!

But the foretale of Aminah came to be true and her feeling materialised. The elephant which was leading Abraha's army knelt and refused to rise again. The cops beat the elephant with iron, and as a result it stood, but refused to advance even an inch. Then the ultimate miracle happened. Allah had sent the army of birds "Ababil" with poisonous stones. They carried

stones in their claws. They rained the stones on the army of Abraha, which destroyed them totally. The Makkah was saved and Kaabah was also safe from the invasion and destruction.'

***

**Barakah continues to tell the anecdote:**

'I kept myself completely tagged with Aminah day and night, nursing and comforting her. She was bearing tremendous agony for the absence of her husband Abdullah. I used to sleep by her side and hear her lamentation, as if she was whispering with her absent husband. I used to wake up from my sleep hearing her lamentation and console her, and give her strength to light her agony. After two months, the first column of the caravan started reaching back to Makkah, and every caravan used to be received and welcomed by their near and dear ones with applause.

I used to go out secretly to the house of Abdul Muttalib to inquire about the return of Abdullah, but used to get no news about him. So I used to return calmly, without letting Aminah know anything, so that she was not further strained, by what I heard or saw. All the caravans at last reached back to Makkah, but Abdullah did not come back.

One day I went to the house of Abdul Muttalib and I was thundered by the tragic news. News had come from Madinah about the sad news of Abdullah's death. I cried when I came to know the news. I don't know what I did, except I set my way back to Aminah's house. I was wailing in lamentation and crying, that our beloved will never comeback, the beloved for whom we waited for long time, grieving for the finest

young man of Makkah. Aminah could not bear this shock. She fell unconscious, and ridden the bed fighting for the life and death. There was none except myself serve and pass the sleepless nights for her welfare and wellbeing, till she gave birth to her child, Muhammad at a night that, beamed the sky of our hopes and expectations.'

**Barakah gives further detail of her story**:

'When Muhammad was born, I was the first who took him on the arms and then came his grandfather Abdul Muttalib, who took the baby to Kaabah, and declared: "This is my child Muhammad, this is Muhammad, the remnant of my son Abdullah."

Abdul Muttalib and the people of Makkah celebrated the birth of the child Muhammad.

Then Muhammad was given to Haleemah Al-Saadiyah to suckle and breast feed in the open of the valley. Haleemah brought him back to Makkah after completion of two years. Then again Muhammad was given back to Haleemah to take him to the healthy atmosphere of the desert. When Muhammad completed his fifth year, Haleemah came back with him to Makkah. His Mother received him with motherly love and affection, and I received him with all that I had in me with joy, love and pleasantries, and started to rear and care for him, and look after him day and night to make him happy, till he reached sixth year of his age.'

**Barakah adds to say further:**

'When the breast feeders came to Makkah from the valley to take babies from the Makkans, none of them chose

Muhammad to take, because his family was poor, unable to pay the remuneration.'

But Haleemah took him as she came late. Because her donkey was very weak. But when she took Muhammad with her, the donkey became fast like a horse.

Haleemah said: "When I entered into my house in the desert, my goats became healthy, and multiplied its breed, lactation increased and abundance came in my house from every corner. My neighbours envied me and they all were astonished to see my fortune. All these poured into my house, because, of the blessed boy Muhammad."

***

**Barakah stops for a while and again says, recollecting her memory:**

'When Muhammad reached six, his mother Aminah intended to visit the grave of her husband in Madinah. I was afraid to think about this tedious journey. Muhammad's grandfather Abdul Muttalib came to persuade Aminah back from her intention. But Aminah insisted on this visit ignoring all the difficulties and dangers. So, one morning we three, Aminah, Muhammad and I sat on a small palanquin put on a strong camel and set for Madinah with a big caravan which left for Syria on a business trip.

When the caravan reached the outskirts of Makkah by two miles, the caravan singers started their rhymes melodiously and the camel started speeding up.

***

I looked at Aminah and found her weak in grief, and tried to console her saying, "O my mistress, be brave and patient in front of your son Muhammad." Muhammad did not know that his mother was going to see the grave of his father. She kept it secret to Muhammad to keep him from being touched by the shock and grief.'

**Barakah says**:

'Our caravan was travelling from Makkah to Madinah, the tears of Aminah never dried. I was trying to brave and console her by narrating tales and stories, so that she gets some sort of relief. But child Muhammad was sleeping on my lap twisting his arms round my neck. Whenever there was a jolt in the palanquin on camel's back, Muhammad used to awake. But again he used to fall asleep.

We reached Madinah after ten days of journey, and we stayed in the hospitality of Bani An Najjar, the maternals of Muhammad. On the second day of our arrival, Aminah went to visit the grave of Abdullah and shed her tears on it to lighten her grief. Muhammad did not go to see his father's grave on that visit. He was a mere child of six years. We left him in the house of his maternals to play and gay with the children of his age. Aminah kept on visiting the grave of her husband every day from morning to evening for long forty days. That shattered her health, and she became weak nearly unable to walk.

We again started our journey back to Makkah from Madinah. On our way, the fatal calamity fell upon us. Aminah

fell sick with fever and her temperature kept rising. She lost her sense. We were left behind by the caravan and stayed in the middle way between Makkah and Madinah in a village called 'Al Abwa'. I tried all my efforts to treat and nurse her by all that I had with me of herbal drugs. But her health deteriorated from bad to worse.

In a dreadful dark night, when the fever was burning Aminah, she called me in a choked voice. I responded to her call and said: 'I am by your side O. my mistress.' In reply she drew me nearer to her mouth and whispered in my ear saying:

"Barakah, I am going to leave this world within minutes. I make will for you about my son Muhammad. He had lost his father when he was in my womb, and now he is going to lose his mother before his eyes. You will be his mother, O Barakah, and never leave him."

These words were her last words that tore my heart and I started crying and wailing. Seeing my wailing Muhammad became frightened and started crying and wailing with me, and he fell between the arms of his mother, and embraced her in a way that suffocate her. I eased the hands of Muhammad. Aminah cried, and with a tremble she became silent and left us forever.

I looked around in the desert, and found none except the overwhelmed child and myself. The body of Aminah was still. The desert and its silence and the whistling winds of the desert were blowing sands around us and none else were there.'

**Barakah broke into loud cry narrating the story and said:**

'With these two hands of mine I dug the grave of Aminah in the sand, and laid her in rest in it, and then shed the remaining tears of mine to its last drop.

I came back with the orphan child Muhammad to Makkah and stayed in the house of Abdul Muttalib. There I looked after Muhammad as his mother. When Abdul Muttalib died, I shifted with Muhammad to the house of his uncle Abu Talib. Then Muhammad was only eight years old. From then I reared and cared him with all my affection and love, till he became a full grown man of twenty five years and got married with the noble lady Khadeejah Bint Khuwailad. And then I started living with Muhammad in the house of Khadeejah. Neither I did leave him nor he did leave me ever.

***

One day Muhammad called me.

He always used to call me "Ya Ammah" (O my mother) then said:

"Now I am a married man and you are still without marriage! What is your opinion if anyone comes to propose you for marriage?"

I looked at Muhammad and said: "I shall never leave you, can a mother like me leave her son?" Muhammad smiled and kissed my head and looked at his wife Khadeejah and said:

"This is Barakah, she is my mother after my mother, she is the remnant of my family." And then Khadeejah looked at me and said: "You have sacrifised your life for Muhammad, now he wants to return some of your gifts. For my sake and Muhammad's sake please accept our proposal before you are caught by old age."

I said:“To whom I am going to be married?” Khadeejah replied: “Here, this is Obaid Ibn Zaid Al Khazraji from Madinah. He wants your hands in marriage. For my sake do not refuse.”

I said: "Yes, I accept."

I got married with Obaid Ibn Zaid and went with him to Madinah. There I gave birth to a son named 'Aiman'. From then on, I was called 'Umme Aiman'. But my marriage did not continue for long, my husband died, and again, I came back to Makkah to live with my son Muhammad in the house of Khadeejah.’

# ZAID BIN HARITHAH

Who is Zaid Bin Harithah? How he came to Muhammad and lived with him before and after the Message?

One day in the evening, Khadeejah entered on Muhammad with a boy in her hand, and said to her husband: "This is a boy, whom my nephew Hakim Ibn Hizam presented to me. Now I present him to you for your exclusive services." Muhammad looked at the boy and asked him:

"What is your name, boy?"

"Zaid Bin Harithah."

"From which clan you are?"

"From Kalb clan."

"How have you reached Makkah?"

Then the boy narrated his story:

"I was with my mother on a visit to our relatives, the thugs attacked on the caravan we were with. They robbed our belongings and snatched me away from my mother, then they sold me in a slave market of Makkah."

"Who had bought you?" Asked Muhammad.

"The nephew of Khadeejah, Hakim Ibn Hizam had purchased me," replied Zaid.

From then on, Zaid Ibn Harithah lived with Muhammad serving him and looking after his comfort and security when he

used to meditate before his prophethood in the lone cave of Hira

***

Since Zaid Bin Harithah was abducted, his father and the family were in grief. They were continuously searching for him in the villages, markets and places where the slaves were traded. Particularly his father and his uncles were searching for him all around, and finally they reached Makkah on a dark night. They entered Makkah as strangers, knowing none there, then they went to Kaabah and sat by the side of a wall, and started to talk amongst themselves.

Zaid's father said: "I have felt a strange touch when we entered Makkah."

One of them asked: "What is your strange feeling?"

Zaid's father replied: "My soul is telling that, my son is living here in Makkah."

Another said: "This feeling is not strange for a father who is searching for his missing beloved son."

A third one said: "This feeling may come true. Because there are many slave markets in Makkah, and children are also amongst the slaves. Therefore, the nobles and the rich people come here to purchase their necessary slaves."

The fourth one added saying: "It is not unlikely that Zaid Ibn Harithah is among those slaves sold in one of these markets."

***

Right at that time an Arabian from the inhabitants of Makkah was returning from some of the night clubs to his house after passing the night there. He heard the conversation of Zaid's father and his companions, and said: "Good night my cousins"!

"Good night our Arabian brother!" They said in reply. Then the Arabian said: "You look like strangers, why have you come to Makkah in this dark night?"

Zaid's father said: "We are Arabs from Kalb clan. We have come here in search of a missing boy".

Then the Arabian inquired: "What is the name of your boy?"

They all said in one voice: "Zaid Ibn Harithah."

Then the Arabian cried: "Oh, I have understood, your son Zaid lives with a noble man of the city, he is the most trusted man here. Your son is living with Muhammad, the trusted."

They cried together:

"Muhammad! Muhammad!! The trusted man!!!We heard about him earlier while we were at our home, but now, how could we reach him?"

The Arabian said, “You will find him every morning at any corner of Kaabah, secluded from others. He does not go near the idols and prostrate before them.”

Accordingly Muhammad came to Kaabah and Zaid's father and uncles found him sitting at a corner of Kaabah and addressed him saying:

"O the son of Abdul Muttalib, the noble of Qureish, and their leader. We came to know that our missing son Zaid is living with you. We want him back by paying any cost."

Muhammad stared at them and inquired:

"Who are you to Zaid Ibn Harithah?"

"We are his family, his father and uncles," they replied.

Hearing this, Muhammad said, "I give option to Zaid Ibn Harithah between you and me. If he prefers you, you can take him without any ransom. And if he prefers me, then he will stay with me."

"You have done more than justice," said the guardians of Zaid.

And then Zaid was called. When Zaid saw his father and uncles, he embraced them and kissed.

Seeing that Muhammad said: "O, Zaid they are your father, uncles and family, if you like, you may go with them without any ransom, And if you like to stay with me, you may stay too."

Zaid stared at his father and uncles, and said, "I shall never leave Muhammad Bin Abdullah, the trusted, he has behaved with me so kindly, like a father behaves with his son. I have never felt that I am a slave. He takes care of me and loves me, looks after my comfort and fortune. He is the noblest man I

have ever come across. How shall I be able to leave him and go with you?" Hearing the utterance of Zaid, his father and uncles cried in shocked voices, and said:

"Do you prefer to be a slave over to be a freeman. How can it be?"

"If you had lived with Muhammad as I did, you would have preferred him over all creatures", said Zaid calmly with determination. "I swear by my father and mother, I shall never leave Muhammad."

When Muhammad heard the comments of Zaid that he has given preference to Muhammad over his father, mother and family, Muhammad took by the hands of Zaid and declared in Kaabah:

"O, the people of Qureish, you all stand witness I declare hereby, that Zaid Ibn Harithah is free. He has become my son, and, I am his father. I shall inherit him, he will inherit me."

After this historic event, Zaid's father and his uncles have been heard saying: "Surely Zaid has got the honour and dignity to be the son of Muhammad, the noblest man of Qureish." So they left Zaid though with a feeling of losing their son, but of course, with a feeling of pride. Since then Zaid Ibn Harithah was known in Makkah as Zaid Ibn Muhammad.

This is how Zaid and Barakah had united as two gems in the house of Muhammad, and both served Muhammad, his wife Khadeejah and their daughters with all of their affection and sincerity.

They both were absorbed in the family of Muhammad and Khadeejah in body and soul. They both used to render their utmost services to the family of Muhammad and Khadeejah, and, in return, they received unprecedented exchange of love, affection and warmth, which none dreamt in the then Arab society.

***

When Muhammad started his secluded meditation in the cave of Hira, in a mountain that was two miles away from Makkah, it was Zaid Ibn Harithah who used to carry foods, water and the other necessary provisions to the mountain, and take care of Muhammad in Hira. Barakah was assisting Zaid in this particular Mission as if they were human angels on the earth who served Muhammad to be the Prophet of Allah (SWT) in coming days. When Muhammad used to prolong his stay in the cave Hira, Zaid had to remain as a guard for Muhammad, who dedicated himself totally heart and soul in worship of Allah (SWT) alone.

On the other side Barakah - Umme Aiman, who reared and cared Muhammad since his birth up to the date, she rendered her service again to Khadeejah, Muhammad and their daughters to make them happy, hale and hearty with all of her love and longings.

In reciprocation Muhammad and Khadeejah used to treat and behave with Umme Aiman and Zaid as they were the basic components of the family and its existence. Both of them were enjoying full liberty, dignity and rights of free persons.

After the years of secluded meditation in the cave of Hira and total dedication to the sublime directions of Allah (SWT), the Creator of the earth and the heavens, Muhammad was blessed with the Message of his Lord, and Gabriel came down with the revelation to beam the universe from all darkness of ignorance and arrogance.

The Prophet (SAWS) was blessed by the Message after his long meditation in the cave of Hira. During the period of Muhammad's meditation, Zaid and Barakah were the close observers and witnesses of the gradaul development of Muhammad's (SAWS) changes towards the prophethood.

Beside the contribution of the noble lady Khadeejah, the services of Barakah and Zaid were so important as Barakah and Zaid were the frequent visitors of Muhammad, to take care of him in the cave, and provide him with the necessary food and water there. Sometimes Zaid used to stay on the mountain near the cave to guard Muhammad (SAWS).

When Muhammad (SAWS) was blessed with the Message of Allah, and he came out frightened, Barakah and Zaid were the first to accept Islam along with Khadeejah.

The Prophet (SAWS) started preaching his new Message openly to his own people in Makkah. But the Qureish also had started opposing him and rejecting the Message. They wanted to fight against the spread of the message by all means.

During those early days of oppression and persecution by the infidels of Makkah, Barakah and Zaid were equally partners to bear the pains with the Prophet (SAWS) and never been away from the close company of their master.

***

Zaid Ibn Harithah was like the inseparable son of Muhammad (SAWS), while Barakah was like the mother in his house by all standard. The Prophet used to love them with all his feelings and was counting the value of their sincerity for him, for his Message and for his struggle in the spread of his Mission, and strengthening the pillars of the Ultimate Message.

This was the Zaid, who came to Muhammad (SAWS) as a boy, and now, he became a full grown man under the shadow of Muhammad's (SAWS) development. Naturally, the Prophet (SAWS) intended to arrange a marriage for Zaid. He chose the daughter of his aunt, Zainab Bint Jahsh. This Zainab was a Qureishi, a Hashemite, the leader of pride and honour in the then Makkah. The Makkans, especially, the Qureish were the clan of extreme vanity and pride during that period of ignorance, over all other people of the surroundings. And above that, Zainab was a famous damsel in Makkah for her beauty.

On the other hand, Zaid also was an Arab of original Arabian tribe "Kalb", He was abducted and sold in a slave market, and was presented to Muhammad (SAWS) who freed and adopted him as his son. In "Jahilyyah" that was the only spot in Zaid. For that spot, Zainab could not reconcile her mind to accept Zaid as her natural husband because of her prejudice in her blood and mind.

Zainab narrates herself as follows:

'One day the Prophet came to our house and proposed to my brother Abdullah. When I came to know abut it, I was

glad, as if, I was flying in joy and happiness thinking that the Prophet (SAWS) proposed for me for himself.

But when it was clear that he proposed me for Zaid Ibn Harithah, I was stunned and I lost consciousness as if a thunder fell on me from the sky and, I had said to the Prophet of Allah:

"O, the Prophet of Allah, how do you propose me for Zaid? I am a noble girl of Qureish, the offspring of respectful Qureish and the grand daughter of Abdul Muttalib, the custodian of the Holy Kaabah? And Zaid Ibn Harithah? He is none but a slave, sold in the slave market?!!!"

The Prophet replied: "Zaid is a free man. I have freed him for the pleasure of Allah (SWT)!!. I adopted him, reared him as my son and made the entire people to witness it. Though Zaid is not from the Qureish, but his grade in character and his grade in kind and heart, counted, he is from among the first few who embraced Islam and declared in advance by Allah (SWT) to be the inhabitant of Jannat!!!"

Listening to what the Prophet (SAWS) said, I could not agree, rather I refused to accept the proposal. The Prophet (SAWS) went out from our house in anger.'

Zainab continues further and tells:

'I could not stand in the way of the Messenger of Allah, neither could my brother Abdullah. Then Abdullah went to the Messenger and said,

"Obedience is due to you, O, the Prophet of Allah (S)"

That was the way I was married to Zaid Ibn Harithah.

Neither could I love him, nor I could reject him. I was hung like that. I used to look at him without any respect to him, as a wife should have towards her husband. Such was the life between me and Zaid, which could not continue for long, and eventually we separated.'

***

On the other hand, the blessing of Allah kept on pouring upon Barakah and Zaid. They both were the source of information and intelligence of the Messenger of Allah (SWT). They used to gather the information of the enemies of Allah and His Prophet, and provide it to the Prophet (SAWS) about all the conspiracies of the infidels of Makkah. On many occasions they risked their lives to collect these information and carrying it to the Prophet's (SAWS) secret cell in the house of Al Arquam, where the Prophet and his followers used to gather for training and education on Islam.

On a night of grim danger, the infidels of Makkah had surrounded all the ways leading to Dar-Al-Arquam, where the Prophet and his followers had gathered for an important meeting.

Khadeejah received an alarming information to be conveyed to the Messenger urgently. Barakah took the risk of her life and conveyed the message to the Prophet (SAWS) in time. The Prophet was moved to see Umme Aiman at that critical moment and was pleased very much. He stood to receive her, and said: "All the blessings be upon you O, Umme-Aiman !! Surely you have a place in the heaven". طُوْبِى لَكِ يَا أُمِّي، إِنَّ لَكِ بَيْتاً فِي الجَنَّةِ!

When Barakah came back accomplishing her mission, the Messenger of Allah looked at his companions, and said, "Whoever of you wants to marry an inhabitant of Al Jannah - the Heaven, he must marry Umme Aiman". Hearing the words of the Prophet (SAWS) Zaid was the first to respond, and "the diamond got its pair."

That is how Zaid and Umme Aiman got married. Zaid was in his thirties and Barakah in her fifties.

Both Khadeejah and Muhammad (SAWS) celebrated the marriage and presented gifts, clothes and scents.

This marriage was an extraordinary one which only could be compared with the marriage of Khadeejah and the Prophet (SAWS). They were both in their forties and twenties.

Allah (SWT) and His messenger (SAWS) were pleased with that marriage. The blessing of Allah (SWT) showered, and Barakah gave birth to a baby son, whom the Prophet (SAWS) named, Usamah Ibn Zaid, the famous Usamah who was chosen as the commander of the Muslim Army to confront the Roman Army before the death of the last Messenger of Allah (SWT) Muhammad (SAWS).

When the Messenger of Allah (SWT) was ordered to leave Makkah for Madinah, the first ranking Muslims migrated to Madinah with the Messenger (SAWS). Zaid was among them. The Prophet (SAWS) left Umme Aiman behind in Makkah alone to look after the affairs of the house of the Prophet.

After she did her job and collected the detail information of Makkans after the migration of the faithful to Madinah, she set for Madinah alone on foot. Barakah - Umme Aiman narrates her unprecedented adventure in her own, and says:

'One morning I arranged my belongings in a luggage and left Makkah for Madinah alone, I travelled to Madinah on my feet. I met with strenuous hardship in my journey in the desert. I endured all these with patience and steadfastness in the way of love for Allah (SWT) and His Messenger (SAWS). The hot spell of the desert was killing me, and the sandghust was nearly blinding me, and deleting the lines of the route.

On a day of scorching heat, I passed through the desert. My throat went dry, and there was not a drop of water with me, and there was no living being around to save me with a sip of water.

Then I looked at the sky with prayer to Allah, and whispered: "I am alone, but You are with me!". I suddenly felt my feet are wet, I found a small spring of water had sprung, and the water started flowing. I drunk and washed my hands and face, filled my container, then went up to a hillock for a rest, and again I started my expedition. I continued my journey in this way till I reached Madinah. My feet were swollen and eyes were nearly blind, because the sore of dust and sand.

When the Messenger (SAWS) saw me, he stood up and came forward to me, and kissed my forehead. Then he touched and cleared my feet and eyes. All my sickness of journey and tiredness disappeared. He put his arms on my shoulder and

said: “O my mother, surely you have your home in the Heaven”.’

When Usamah was born from Zaid and Barakah, the prophet used to love him very much, as if he was his brother. He used to play with Usamah, kiss him and feed him with his own hands.

Entire Muslim community of Madinah knew the position of Barakah and Zaid and their son Usamah in the heart of Prophet (SAWS).

So, whenever they saw the prophet (SAWS) feeding Usamah, playing and laughing with him, they would say "Surely he is the beloved, the son of the beloveds."

إِنَّهُ الحِبُّ إِبْنُ الْحِبْ، وَالْحَبِيْبُ ابْنُ الْحَبِيْب

When the root of Islam took strength, the number of the Muslims increased there, the Muslim Army started winning the surrounding areas to spread the message of Islam. Invariably, whenever, the Prophet (SAWS) sent a contingent of his army for any assault, to spread Islam, he made Zaid its commander. And Zaid was always victorious in his expeditions, seemingly his leadership was synonymous of success and victory in wars.

Zaid was so attached to the feeling of the Prophet (SAWS) that Aishah says:

‘Once Zaid Ibn Harithah came back from an expedition successfully, and entered on the Prophet of Allah, the Messenger of Allah welcomed him, embraced him and kissed him, then said, “O Aishah, surely Zaid is the unparalleled

soldier of Allah, whenever I sent for any expedition, I made him the commander".'

After the death of the Messenger (SAWS) Aishah said: "If Zaid was alive till the time of death of the Messenger (SAWS), he must have made Zaid his successor."

The last Messenger (SAWS) of Allah (SWT) had sent a message of Islam to the ruler of Busra in Syria, and Harith Ibn Umair was the envoy. The said ruler killed Harith, and uttered bad words about Islam and the Prophet (SAWS). The Messenger of Allah dispatched an army to punish the despot, and annex Busra.

Zaid Ibn Harithah was made its first commander. But the Messenger (SAWS) made two other deputy commanders, besides Zaid to succeed him. This was an unprecedented act of the Messenger (SAWS).

He had never before made more than one commander for any expedition. This made Zaid convinced that Allah (SWT) must have hinted His messenger that something unusual might happen this time. That may be his last journey to eternity.

One morning, he entered to his wife Barakah, Umme Aiman or Umme Usamah. Such were their last conversation.

"O Umme Aiman. I am to set for Syria as the head of an army to bring to book the ruler of Busra."

"What's new in it, O Zaid? The Messenger (SAWS) of Allah sent you many times like this, and you came victorious. This time too, the success will be yours, by the help of Allah (SWT). May Allah (SWT) protect you !!!" Said Barakah.

"But this time I sense something strange." Said Zaid.

"What is that thing you sense Zaid? You are the blessed soldier of Allah (SWT) and the beloved of the kind Prophet (SAWS)" inquired Barakah.

Zaid replied: 'The Messenger (SAWS) of Allah (SWT) has appointed three successive commanders of my army saying: "Your commander is Zaid Ibn Harithah, then Jaafar Ibn Abi Talib and then Abdullah Ibn Rawahah," which the Prophet (SAWS) never did in the past!'

"What do you apprehend O Zaid?" again inquired Barakah.

Zaid replied: "I do not care and fear anything in the way of Allah (SWT). May be the Messenger (SAWS) has done it on the revelation of Allah (SWT)."

Accordingly Zaid set forth for the assigned destination, and reached there. On the arrival at the battle ground Zaid found the number of the enemy army many more fold than expected. They were only five thousand, while the enemy were above one hundred thousand.

But Zaid, the commander of the army of Allah (SWT) sent by his Messenger (SWS) on His revelation, fought the grim battle unhesitantly with unparalleled bravery and valour.

On the other end, the Messenger of Allah (SWT) was receiving the live account of the battle, and got on the rostrum of his mosque in Madinah, and begun relaying the events of the warfront, saying:

"O the Muslims, behold and listen, Zaid Ibn Haritha held the flag, then fought till he fell martyred. After him Jaafar took the flag. He fought till he too was martyred, then Abdullah Ibn Rawaha took the command and fought till he too fell martyred. I have seen them being carried to the Heaven on golden coaches !!".

This was the battle of Mouta, an acid test for the real believers. Muhammad (SAWS) was sent as the last and the final Messenger. He was meant for perfection of mankind. He perfected the Religion of Allah, Al Islam. As a mortal being, the Messenger of Allah was due to leave after the completion of his Mission. He was born as other human being, born. He was born out of a couple. Abdullah and Aminah. They died in his infancy. There was 99.9% possibility, if his parents were alive till his prophethood, they would have been the fatalist enemy of him and his Mission, like other members of Bani Hashem, Qureish and Makkans, as the father of Abraham and his family banished him from his country. Allah (SWT), the All Knowing, separated Muhammad from his infidel parents in childhood, and planned to bring him up in a freer state, as an orphan free from Qureish and Arabian prejudices.

So, the Almighty sent His blessings in Barakah, which also means blessing, to bring up Muhammad for His last and the final Message.

Muhammad was due to leave this world after completion of his Message, so he was naturally hinted by his Master to test his followers, and leave examples of perfect followers of his Mission. The battle of Mouta was the testing ground. So, he made three commanders of his testing battle,

Zaid Ibn Harithah, Jaafar Ibn Abi Talib and Abdullah Ibn Rawaha, to be followed by others as examples.

Zaid rated first, while Jaafar and Abdullah followed him. After that the remaining soldiers fled away under the leadership of Kahlid Ibn Al-Walid with their lives.

They were not supposed to do that at all. Islam teaches its army to fight for the truth, either to become victorious or to be martyred. Not to flee away with life. Nobody can escape death even in the bedroom. So, a believer prefers to die in the battle than to die in his bed!

Zaid testified himself to be the diamond nosed precision of Islamic warrior, while Jaafar and Abdullah followed the suit.

Khalid and his followers reached Madinah with their lives which was unknown to the followers of Muhammad (SAWS) in Madinah. So, they were named and termed as "Furrar" the fleers. They were not accepted by the Muslims in Madinah with honour. But, it is said, that no one used to reciprocate their salams with greetings. Rather the Muslims threw sands on them terming them as "Furrars" the fleers.

Further more, it is reported, their wives were also reluctant to share the bed with their husbands, because they fled away from the battle ground. Such was the training of the Prophet (SAWS) to his followers.

The Messenger (SAWS) of Allah had known what he wanted to know, by the expedition of Mouta. So he decided for a final show of his trial again.

# USAMAH IBN ZAID

This time, in the final test, the Messenger (SAWS) mobilised a greater army than that of Mouta. This time he made Usamah Ibn Zaid, the eighteen years old product of Barakah and Zaid, the beloved son of the beloveds as supreme commander.

It may be mentioned that the Prophets were sent to remind the mankind, that the human beings are the progeny of Adam and Hawa (Eve). They are made of clay, as there were no differences between man and man except in piety and virtue.

إِنَّ أَكْرَمَكُمْ عِنْدَ اللهِ أَتْقَاكُمْ.

Specially the last and the final Messenger was sent by Allah (SWT) to re-establish that truth till dooms-day and expressed His resolute will:

وَنُرِيْدُ أَنْ نَمُنَّ عَلى الَّذِيْنَ اسْتُضْعِفُوْا فِي الأَرْضِ وَنَجْعَلَهُم أَئِمَّةً وَنَجْعَلَهُمْ الْوَارِثِيْنَ،
ونُمَكِّنَ لَهُمْ فِي الأَرْضِ وَنُرِيَ فِرْعَوْنَ وَهَامَانَ وَجُنُوْدَهُمَا مِنْهمْ مَا كَانُوْا يَحْذَرُوْنَ.

"We desire to favour those who were oppressed in the earth, to make them leaders, and the inheritor, and to establish them on the earth as authority, to show Pharoas and Hamaan, and their soldiers the consequence they were warned of"

(Sura- Al Quasas 5-6).

The Message of the last Prophet (SAWS) was accepted by the oppressed of Makkah like Zaid, Barakah, Bilal, Ammar, Ibn Masood and alike, with all their belongings, heart, soul,

flesh and bones, unlike, the other Makkans, who accepted Islam later.

The last Messenger of Islam had experienced by his Mission and the life that the commitment of the latters were bound by convenience rather than conviction, unlike Usamah, Bilal and Ammars.

So, just on the eve of the departure of the Prophet (SAWS) from this mortal life, he chose Usamah as the Leader - Commander, and named the expedition after the name of Usamah "Jaish - Usamah" or the "Expedition of Usamah."

The prejudieed aristocrats of Makkah and Madinah could not take the command of Zaid Ibn Harithah over them in the battle of Mouta in good gesture. They all criticised the appointment of Usamah by the Messenger (SAWS) of Allah (SWT), as they did when Zaid was made the commander of the battle of Mouta.

Listening to the audacity, and sensing the dissension of the elders, the Messenger (SAWS) of Allah (SWT) took serious notice of it, and reminded them the position of Zaid to Allah (SWT) and the Prophet (SAWS).

He chastised them in unequivocal words saying that the Israelites were cursed because of their disobedience to the prophets of Allah (SWT) like them.

He mentioned that Zaid is the best among them, and they were no match to him.

This time when Usamah, the son of that Zaid was chosen again, for even a larger battle, the teeth of the critics again came out with sharper dissension.

In their opinion, though, Zaid was a non-aristocrat, but he was somehow acceptable because of his age. But this time his son Usamah is a teenager, while Abu Bakr, Umar, Uthman, Saad, Talha, Zubair, Abu Ubaidah and Abdur Rahman Ibn Awuf were in their fifties and sixties. So this time the leadership of Usamah over them was more bitter pill than before.

After the mobilisation of the army of Usamah, the Messenger (SAWS) of Allah (SWT) fell sick with an illness that took his life.

Here it must be further added that the Prophet (SAWS) had prepared and bound a special flag for Usamah's Army by his own blessed hands, and ceremonially handed over it to Usamah.

Listening to the criticism of so called elders and nobles, the Messenger (SAWS) of Allah (SWT) came out of his sick bed and got on his "Mehrab" and chastised the critics this time in more strong words. He spoke in detail and warned them of grave consequences for disobedience of the Messenger of Allah.

The Messenger (SAWS) of Allah (SWT) died before the accomplishment of Usamah's mission. But he repeatedly reminded and exerted his followers to execute the expedition of Usamah in all circumstances without fail.

After the death of the Prophet (SAWS), again the proposals of second and third thought came to Abu Bakr, the successor of the Prophet (SAWS) to reconsider.

But Abu Bakr reacted very vehemently against their proposals and asked them:

"How could I change the leadership of Usamah when I am an ordinary soldier under him? How a sepoy can change and dismiss his commander? Have you forgotten the assertion of the Prophet (SAWS) to execute Usamah's Army at any circumstance?

**أيُّهَا النَّاس أنْفَذُوا بَعْث أسامة، فلعمري لئن قلتم لإمارته، لقد قلتم في إمارة أبيه من قبله وإنه لخليق للأمارة.**

He rebuked Umar and others who proposed the changes. Umar came to his senses after he got jolting chastisement from Abu Bakr.

***

The Faith is always a matter of conviction. Whenever the convenience over shadows the Faith, it remains no Faith, no conviction and no creed.

Finally the expedition of Usamah was dispatched as wished by the Messenger (SAWS) of Allah (SWT) before his death.

Allah the Almighty, the Lord of the Universe had showered His blessings on the expedition of Usamah.

Usamah's army was mobilised by the Prophet (SAWS) to fight against the Roman empire, and its Arab subjects bordering Syria. They were one of the two super powers at that time.

Evaluating their experience in the battle of Mouta under the leadership of Zaid Ibn Harithah, the father of Usamah, and comparing the larger and stronger army of Usamah, the Roman warlords had a second thought. They sensed a catastrophe may fall on them this time. So the Roman army abstained from joining their allies.

As a result, the entire area fell under the invasion of Usamah's army, and were overran by the Muslims to be under Muslim sovereignty.

Seeing the retreat of the then super power, the Arabs who became renegades had to come back to the fold of Islam finding no alternative. So, they were never real Muslims.

This is how Allah the Almighty helps His believers who surrender to Him completely, and follow his Messengers (AS).

The warbooties that came to Madinah as a result of Usamah's army changed the economic condition of Muslims in Madinah, and gave a tremendous impact of invincibility of the new Muslim State in the minds of nomadic Arabs of entire peninsula. And, as a result, Abu Bakr, the new Khalifah had easily succeeded in quelling the Arabs, who became renegades after the death of the last Messenger (SAWS) of Allah (SWT) who were 80% of the new Muslims according to the Muslim Historians like Ibn Hesham etc.

***

Arabs, Urban or Nomad, all are the seeds of breach, schism and disintegration. They are nothing but like the desert sands. When there is heavy downpour, the sand remain integrated. The moment the water recedes and the dry wind

start blowing, it disintegrates and become as before, as if, they were never together.

Muhammad (SAWS) was sent to these Arabs as the heaviest downpour of Allah's blessings, "Rahmatullil Alameen," with greatest degree of character "Khuluqun Azim" and the best example, the "Uswatun Hasanah." But Allah (SWT) has duly warned His Messenger about the basic compounds of Arabs, and said in the Quran, "Arabs are worst kind of rejecters of truth, and worst in hypocracy and worst in ignoring the limits, Allah has revealed on His Messenger. Allah is All-Knowing, All-Wise (Tawbah-97-98)

الأعْرَابُ أَشَدُّ كُفْراً وَنِفَاقاً وَأَجْدَرُ ألاَّ يَعْلَمُوْا حُدُوْدَ مَا أَنْزَلَ اللهُ عَلىَ رَسُوْلِهِ، وَاللهُ عَلِيمٌ حَكِيم.

Such is the chronological definition of Allah, the Creator, about His Arab creature. But the basic impostor Arabs have misinterpreted the word "Arabs", and say "Aarab" means "Beduin or Wandering Arabs", not the city dwelling urban Arabs. But they forget, or pretend to forget to befool others that the Messenger of Allah (SAWS) had already closed the door of misinterpretation by the intuition of his All-Knowing Master Allah (SWT), saying "Take care of Arabs, they are the origin of Arabs."

إهْتَمُّوا بِالأعْرَابِ وَهُمْ أبُوْالعَرَبِ وَمَادَّةُ العَرَبِ.

Arabs were equal, both nomad and urban. They are not different now, as they were not in the past.

So, the Messenger of Allah said on many occasions to his companions, including Abu Bakr "I don't know what you would turn to be after me?" Abu Bakr asked the Prophet

(SAWS). “We too would change after you?” The Messenger of Allah replied “Yes”. Then Abu Bakr cried. (Muatta Malik).’

**ولَكِنِيِّ مَا أدْرِي مَا تَحْدُثُوْنَ بَعْدِي؟ أئِنَّا لَكَائِنُوْنَ بَعْد؟ قَالْ نَعَمْ، حذو القَذِّى بِالْقُذَّةِ وَالنَّعْلِ بِالنَّعْل.**

***

Prophet's (SWS) apprehension came true.

After his death, the Arabs turned Arabs regarding Islam. They first divided the Ummah of Islam into two: Makkan Migrants and Madinite Helpers, "Muhajir" and "Ansar":

Makkans said to Madinites "We will be Rulers" and you would be "Ministers!"

**نَحْنُ الأمَرَاءُ وَأنْتُمْ الوُزَرَاءِ، مِنَّا الأمَرَاءَ وَمِنْكُمْ الوَزَارَء.**

How strange and unfortunate?!

Islam makes one, indivisible "Ummah", as Allah (SWT) said in the Quran. "The is the bond and the bound of your single, united Ummah."

**إنَّ هَذِهِ أمَّتُكُمْ أمَّةً وَاحِدَةً، وَأنَا رَبُّكُمْ فَاعْبُدُوْنِ/ فَاتَّقُوْنِ**

Muslims only can say among them “We”, and never “We” and “You”. This is schism after Islam.

**هَذَا هُوَ الشَّقَاقُ وَالنِّفَاقُ بَعْدَ الإسْلاَمِ فِي الأمَّةِ– إنَّ هَذِهِ أمَّتُكُمء أمَّةً وَاحِدَة**

The Nation of Islam is like a house built by Ansars. They helped the migrators to enter into it risking the enmity of the

entire Arabs. Whoever enters into this house, “Muhajir” or “Ansar” they all dissolve into one entity “The Muslims”, like the sugar melts in water, and become a “Sweet Beverage.”

No separate entity of water and sugar can remain there.

Makkan migrants made false traditions in the name of the Messenger of Allah, and said, “The Leadership shall remain vested in the Qureish.”

الأئِمَّةُ مِنْ قُرَيْشٍ، إنَّ العَرَبَ لاَ تَعْرِفُ هَذَا الأمْرُ لِغَيْرِ هَذَا الحَيُّ، وَالنَّاسُ تَبعَ لِقُرَيْش.

What a blatant lie? That too in the name of the Messenger of Allah, who made Zaid and Usamah the Commanders and asserted their command over the preposterous nobles of Makkah and Madinah. Were Zaid and Usamah Qureishi?

How Ayeshah says, "If Zaid was alive at the time of death, surely he would have made him his successor?" Even mother Ayesha did not hear about the vested leadership of Qureish?

Why did the last and the final Messenger of Allah repeatedly say on several occasions, "If a black African emerges as your Imam, leader, you must obey and follow him. There is no preference for a white over a black, and black over white, and an Arab over an non-Arab, and non-Arab over an Arab, except on the basis of piety?"

Liars have their memory shortened

So, the vested interested Arabs lied in the name of the Messenger of Allah as the Messenger himself apprehended.

They lied when they said, "The leadership is vested in the Qureish".

They lied when they said in the name of the Messenger (SWS) in listing all ten from Qureish to go to heaven in advance, and none is from Ansars or oppressed freed slaves !

Why did the Messenger of Allah (SWT) entered into Holy Kaabah after the conquest of Makkah with Bilal and Usamah and none from Qureish ?

These are the questions to be answered correctly, to revive the Ummah of Islam, and to reverse the clock of Arabian posture, gruelling under the curse of Judeo-Christian shackle without any feeling of shame, into the promised victory of Islam under the teaching of the last Messenger of Allah (SWT).

Allah (SWT) is the Lord of the Worlds, and not of the Arabs or Arab world alone !

Muhammad (SWS) is the Messenger of Allah for entire Mankind, not for Qureish, Makkans and Arabs.

Islam is the lone Religion of Allah, on which He has created everything.

He was sent to do favour on oppressed people.

The Prophet was raised by an oppressed maid, Barakah.

He said, "Barakah is my mother after my mother."

Barakah looked after Muhammad since his childhood till his death.

He said, "Salman is one of my family members."

***

Why was the leadership of Prophet's (SWS) appointment and assertion changed later, just after the completion of Usamah's expedition ?

- Why did not the command of Usamah's continue, until he changed, or committed any wrong?
- Why was a person like Khalid, the son of Walid chosen as the commander of Muslim Army?
- Had he not killed several innocent persons during the expedition of Makkah for which the Messenger of Allah (SWS) thrice prayed to Allah, and expressed his innocence in the crime of Khalid? How the liars termed Khalid falsely as the 'Lone Sword of Allah? He is that Khalid, who massacred Muslims in the battle of Uhud, and his father perhaps is the only man, whose notoriety is mentioned in the Quran in many places!

Once the falsehood is allowed in the rank of any society, it keeps on breeding its progeny. When the opportunists of Makkah entered into the rank of Islam for their worldly gains, they made their way to the key positions, like Khalid, Amr Ibn Al-As and Mughirah etc. They eliminated, Abu Dhar, Ammar, Ibn Masood, Bilal, Suhaib and Salmans, the beloveds of the Messenger (SWS) and made Islam the conquering instrument of Makkans, first as Quriesh, then Banu Umyyah, Abbasi, Sunni, Sheiah, and last as Arabs and finally impostering the last Prophet (SWS) as the "Arabian Prophet" and the Ummah of Islam as "Ummatul Arabyyah".

The last and the final Prophet of Islam came to erase the plurality of the race and the religion from the face of the earth. He left the ideal by raising Zaid, Bilal, Ammar, Salman and Usamah to the position raised by Allah (SWT). Had the process been kept un-hindered after the departure of the Messenger (SWS), the entire globe would have been conquered by the Message brought by Muhammad (SWS) non-stop.

He has sent His final Messenger with guidance and the religion of truth to make him radiant over total religion though the infidels never agree (Saff-9).

هُوَ الذِي أرْسَلَ رَسُوْلُهُ بِالْهُدَى وَدِيْنُ الحَقِّ لِيَظْهِرَهُ عَلىَ الدِّيْنِ كُلِهِ وَلَوْ كَرَّهَ المُشْرِكُوْنَ/ الكَافِرُوْنَ.

And surely Allah is to complete His Light, though the infidels do not like (Saff-8).

واللهُ مُتِمُّ نُوْرُهُ وَلَوْ كَرَّهَ الكَافِرُوْنَ

The coming and the concluding era will be of those, who would follow Muhammad (SWS) as Barakah, Khadeejah, Zaid, Bilal, Ammar, Abdullah Ibn Masood and Usamah.

Sunnis have fabricated a dogma, consisting of assumed four Calips and "As-habs", and Sheiahs made a race comprising the daughter, two grand sons and the son-in-law of the Messenger.

Umayyads made a dynasty of "Arabian Caesar." as Muabiah declared, "I am the Caesar of Arab," and Abbassides established another dynasty of "Arabian Chosro" as Harun Al Rashid said, "I am the Chosro of Arabs." Whereas the

Messenger of Allah has made it know to all Muslims to come "There would be no Caeser and Chosro either in Islam."

لا قَيْصَرٌ و لا كِسْرَى في الإسْلامِ.

So, Sunnism, Sheiaism, Arabianism in its all kinds, Qureish, Umayya and Abbasi divisions are nothing but "Schism," which has nothing to do with Islam. They were and are completely out of the bond and boundary of Islam!

***

Let us, the people of the Books and the Scripture, follow Abraham, Moses, Jesus and Muhammad, peace be upon all of them, as men and women of conviction like Hegar, Asiyah, Mary, Barakah, Khadeejah, Zaid, Bilal, Ammar, Suhaib, Abu Dhar and alike, accepted and followed the Divine Faith with all they belonged, to be Muslims from misnomers like Jews, Christians and so-called Muslims of cults and sects.

Migration for the sole purpose of rejecting the falsehood and accepting the Divine Truth is “Hijrah” in the path of Allah as Abraham (AS) did from Iraq, Moses (AS) did from Egypt and Muhammad (SAW) did from Makkah and most of the oppressed slaves and few non-slaves like Barakah, Zaid, Ammar, Bilal, Suhaib, Ibn Al-Sawda and Ali, Abu Bakr and Umar followed the Messenger of Allah (SWT) migrating with him to Yathrib, the Madinah.

Makkans besides them, who migrated just before the conquest of Makkah like Amr Ibn Al-As, Khalid Ibn Al-Walid and Mughira Ibn Shu’bah, and after the conquest of Makkah, Abbas, Abu Sufyan, Hakam and Marwans, did not migrate for

the faith. They did so foreseeing imminent victory of the new faith for worldly gains. The Messenger of Allah (SWT) outrightly rejected the hypocrite migration of Abbas and Abu Sufyan, saying, “No migration after the conquest."

لا هِجْرَةٌ بَعْدَ الْفَتْح.

How precisely the Messenger of Allah (SAWS) was correct about those impostors, Abbas and Abu Sufyan, whose progeny turned the blessings of Islam into the tyranny of two Satanic dynasties - the Umayyad and Abbaside Empires !

After the end and the removal of Zaid and Usama's leadership, the prophetic era of Muhammad (SAWS) was put to decay that ultimately returned to Makkan "Jahilyyah", the Arabian Barbarism with the veil of Islam, which only could be replaced by the Mongolian holocaust of Halako Khan in Baghdad, and the Crusaders annihilation in Spain.

The succeeding rule of so-called Muslim governments till today in the Arabia, Africa and in Asia are remnants of those Umayyad, Abbaside, Tartar and Mongolian curses, and have nothing whatsoever, brought by Muhammad (SWS) and introduced by him through his trained beloveds, Zaid, Bilal, Ibn Masood, Ammar, Abu Dhar and Usamahs.

How astonishing is this, since the removal and ouster of the Prophet's (SAWS) trained and practised leadership of Zaid and Usamah, till today, we find the names of Muslim war lords and warriors as Khalid, Tariq, Musa, Amr, Umar, Saladin etc., and do not find any name in the so-called Muslim Military leadership, as Zaid, Bilal, Ammar, Hamzah and Usamah?! Whereas, they were the foundation stone of Islamic Jihad, who

started from the battle of Al Badr by eliminating the leaders of Makkan Qureishi infidelity, Abu Jehl, Umayyah, Utbah, Shaibah and others!

Where Allah (SWT), says, "You have your best example in the Messenger of Allah," how the Makkan, Qureishi, Umayyad and Abbaside Caliphs omit the traces of the reforms of the Messenger (SAWS), as mistaken words?! Were they Muslims at all, or, they were what Yazid said after Killing Hussain in Karbala, killing the veterans of Al Badr in Madinah, and mass raping in Madinah, "We have taken the revenge and the retaliation of Al Badr?"

Why had the pious son of Yazid, Muawia the II and Umar the II declared their Umyyad predecessors as renegades and the people of "Hell Fire", and declined to inherit their rule, until Umar the II changed their rule into an Islamic one?

Were the persons of the royal court of Pharao, who testified against the evil wife a Pharao, and the Pharao, the King, in favour of the Messenger of Allah Joseph and Moses (AS) right, or the vampire lady and the Pharao were on the right, and Joseph and Moses were wrong?

*Time has come to say afresh, "Surely Muawia the II and Umar the II were correct on the line of the Messenger of Allah (SAWS) and his tested disciples, Zaid, Bilal, Ammar and Usamah, as the two witnesses of the Pharaonic court were. And both the Umayyad and Abbaside dynastic rules and their followers, till today, are wrong, as the Pharaohs, Caesars and Chosros were". Otherwise, there would be no revival of the Ummah, who claim to be the remnant of Islamic Ummah. Allah the Almighty will raise other people to serve His purpose.*

وإِنْ تَتَوَلَّوْا يَسْتَبْدِلْ قَوْماً غَيْرَكُمْ ثُمَّ لا يَكُوْنُوْا أَمْثَالَكُمْ.

*If you turn back, He will change in your stead another people, then they would not be like you. (Muhammad-38).*

So-called Muslim immigrants in Europe, America, Canada and in other parts of the world, who have left their respective countries for fortune hunting, are not "Muhajireen." They are too opportunists like the Makkans who migrated to Madinah for the same purpose.

These immigrants have their separate community and prayer houses, namely Saudi, Egyptian, Libyan, Irani, Indian and Pakistani communities. They are too races there, as they were in their original countries. In the countries of extreme white and black colour prejudices, these mixed coloured minorities have agreed among themselves to disagree against the majority sons of the soil. Their religious affinity is of a hypocritic "Organised Minority" against the majority locals.

They, usually, build their so-called Mosques and community centres to evade taxes and to seek protection from racial discrimination. They import their own "Mollahs" from their respective cults, Sunni, Sheiah, Deobandi, Berelovi, Arabs and non-Arabs, and offer prayers in their respective centres strictly. Sometimes they fight against each other, that the non-religious and anti religious governments of these countries have to come to quell their religious fighting.

Leaving Allah (SWT) and His Messengers to follow, the Sunnis claim to follow their sunni Caliphs, Sheiahs claim to

follow their Sheiah Imams. But strangely enough, they all claim that they all originate to the Message of the last Messenger, Muhammad (SAWS). Sunnis commonly praise and celebrate Ayeshah, while Sheiah commemorate Fatimah more prominently, whereas, the unmatchable great ladies, Barakah and Khadeejah are eclipsed by both the communities.

The Mollahs and Maulanas of Indian Sub-continent hold "Milad" of the Prophet (SAWS), and lecture and mention for hours together, the brief period of the biological parents of the child Muhammad, Abdullah and Aminah, and even mention Haleemah, the breast feeder on payment of Muhammad for a brief period of two years only.

But to the surprise of every man of conscience and knowledge, no body mentions the "Blessing Lady", Barakah, Umme Ayman, and Umme Usamah, who cared, raised and accomplished Muhammad to be the last and the final Messenger of Allah!

Why? Because she was a slave black woman! Hajerah or Hegar, the mother of Ismaeel, the first father of Arab, was also a black lady!

The last Messenger of Allah (SAWS) has regarded and loved her till his death as his mother, Khadeejah respected her as the mother-in-law! The Messenger of Allah (SAWS) used to rise to see her and kiss her on her forehead. Sometimes he used to take Abu Bakr, Umar and other prominent companions with him, while going to see Barakah, and greet her saying, "O my mother, how are you?"

**طُوْبَى لَكِ، هَلْ أَنْتِ بِخَيْرٍ يَا أُمِّيْ؟**

Do you know how the blessed great lady used to reply!

The Messenger of Allah used to greet saying.

كَيْفَ حَالُكِ يَا أُمِّي؟ هَلْ أَنْتِ بِخَيْر يَا أُمِّي؟

(O my mother, are you well?)

The great lady used to reciprocate.

أجل يا رسولَ الله أنَا بِخَيْر ما دَامَ الإِسْلام بَخَيْر

"Yes, O the Messenger of Allah, I am well, till Islam is well!"

How warm is the greetings, and how divine is the reply!

She is well, if Islam is well!

Can any body cite another example of such wish of greetings, in the history of Islam?

If Islam is well, she is will, if Islam is unwell, she is unwell!

Have we heard such wishes from Ayeshah, Fatimah or any other Ummahatul Mumineen ever? Or from any man like Abu Bakr, Ali and Umar etc.?

Is not she, the motherly manifestation of Islam, who was destined by Allah (SWT) to raise the final Messenger for his prophethood, and from the prophethood till his death?

Read more to learn and believe the greatness of "Great Barakah."

إِنَّهَا بَرَكَةٌ، إِنَّهَا أُمِّي بَعْدَ أُمِّي، إِنَّهَا بَقِيَّةُ أَهْلِي

When her son Ayman was martyred in Hunain, the battle of Taif, the Messenger of Allah (SAWS) had brought his dead body to Barakah, and said! "Mother, your son Ayman lay martyred" the great lady replied saying:

"Al Hamdu Lillah, all praise is due to Allah, I have yet two, you and Usamah. My ideal Hegar had only one, Ishmael. Allah (SWT) had accepted her only son. If Allah accepts Ayman like him, I am happy!"

Last, but not the least.

The Messenger of Allah was a mortal being. He died after accomplishing his mission, as all other prophets died.

All were overwhelmed. Umar nearly went mad and said immature things. Abu Bakr had to intervene to bring Umar in proper sense.

On the death of the last and the final Messenger of Allah, the raiser and the promoter mother of Muhammad (SAWS), Barakah said the immortal words:-

آه لَقَدْ انْقَطَعَ الْوَحْيُ مِنَ الْسَمَاء.

"Alas! the line of revelation has been snapped off."

How clear was the concept about Islam, its Message and the Messenger in the mind of Barakah. Such is called crystal clear.

***

"There is no Faith above the bond of "Tawheed", and, there are no religion and the "Right way" of practice, other than the Message, preached by the Prophet (SAWS)"

لا إيمَان فَوْقَ الْتَوْحِيْد ولاَ دِيْنَ ولاَ شَرِيْعَةً مَا دُوْنَ الرِسَالَة.

Allah (SWT) is the Creator of the Worlds, and the Day and the Night.

Day is bright, white.

Night is deep dark, black.

Day is for brisk activity, noisy and tiresome.

Night is for sleep, rest, tranquillising and re-energising.

Day's white brightness disturbs rest and sleep.

Nights' black and the darkness hampers activity.

The life cycle of living being is of both activity and rest.

The day emerges from dawn, and dies in the dusk.

The night emerges out of the dusk, and dies in the dawn.

The dawn gives birth to bright and white day.

The dusk gives birth to black and calm night.

Both the DAWN and the DUSK are the mixture-combination of black and white.

Dawning mixture is from black to white, and

The dusking mixture is from white to black.

The dawn is to rise and run, and,

The dusk is to lay and die.

Like black and white night and day, the humankind is mainly of black and white complexions, created by Allah (SWT). Blacks are symbolic of night, and whites are the symbolic of day, and the mixed coloured people are the connecting bridges between blacks and whites, like the dawn and the dusk are the connecting bridges, between day break and nightfall.

The coloured people of the rising horizon of the East, are the beckon of the brisk dawn and morning, and the whites are the midmost of the day.

The coloured people of the dusky western horizon are like curtain drawers of peace and tranquillity, and the blacks are like slumber of sleep, and the energizer for the next day.

Satan, the racist, divided the progeny of Adam and Eve for his sinister purpose, to make the temporary world a hell before the final hell fire. So, he and his agents whisper "Blacks are the progeny of African baboons and apes, and whites are the progeny of white devil."

Allah (SWT) has sent prophets to remind us that we all are the progeny of Adam, and we all are equally His slaves. We are to obey Him and His messengers.

The last and the final Messenger of Allah (SWT) has left for entire mankind an example to unite the mankind under the banner of "There is no God, but Allah."

لاَ إِلَهَ إِلاَّ اللهُ

Allah is All colourful, but not coloured.

Islam is the combination of all colours, but not coloured. The Messengers of Allah are all colourful, but none is coloured. That is the colourfulness of Allah**(صِبْغَةُ اللهِ)**. Satan is coloured and racist, without colourfulness and prejudieed. His progeny and the followers are colour prejudiced and racist. Real Muslims are all colourful, but never coloured and racial. Jews, Christians and Mohammedans are coloured, as their faiths divide men into plural faiths which bred races, Arabs, Indians, Europeans and Americans etc.

The last Messenger, who himself is the descendant of Ishmael the son of a "bonded" lady Hegar, and again he was looked after throughout his life, by Barakah, a black lady of grace. He raised Zaid a non-Makkan and non-Qureishi commoner and his son Usamah to the highest rank of commander of Army of Allah to break and destroy the racial and tribal schism of Makkan infidels to clean and cleanse the House of Allah (SWT) and His most favourite Messenger Abraham (SAWS).

But due to inherent arrogance, Arabs have changed the rare blessings into a sweeping curse for them, in both the worlds. They not only have undone the reforms of Islam, but reversed what the last Messenger (SAWS) taught. During the period of the real founder of Umayyah dynasty. Uthman Ibn

Affan, the beloveds of the Prophet (SAWS) were tortured like Ammar and Ibn Masood. And after the naked Caesarian dynastic rule of Umayyads of the Progeny of Abu Sufyan and Marwan, entire Africa, including Egypt was turned into the domain of their black slaves.

Had not they done what they did in Africa, the entire Africa would have turned into an invincible fort of Islamic Army of Zaid, Bilal and Usamah, to conquer the entire globe, and would never have been the tragedy of slave trades of the crusaders, who burned areas after areas for slave hunts for centuries, and African Muslims were shipped to the continents of Europe and America, as slaves, like cattle and sheep. The Alex Hailey Book "The Roots" would not have been written, perhaps!

Now the turn has come for oppressed, both black and coloured people in Europe and America, to understand the Message of the last Messenger of Allah with renewed faith and character of Zaid, Barakah and Usamah, to be convinced, that the Islam of Muhammad (SAWS) is the only and the ultimate solution for the suffering humanity of the world under the dominance of So-called Judeo-Christian new world order of free sex, homosexuality and the killer AIDS.

Arabs, especially, the ruling class have become thugs and hired agents of the western Judeo-Christian vicious circle, as the last and the final Messenger of Allah had predictably apprehended. The naked and glaring shameless support of Israel by the Judeo-Christians west and their behaviour against the Arabs, especially after the Gulf war, which enslaved Arabs, the Arabian rulers have themselves bought their slavery

surrendering their state sovereignty and handing over all economic potentials to Judeo-Christian coalition, making their masters to protect them from Saddam and Iran.

Allah the Almighty had sent His last Messenger (SAWS) from among Arabs to raise them to the Zenith of world leadership, and the Messenger (SAWS) had accordingly accomplished his Mission by making the poor, destitute and warring nomad Arabs, to subdue once superpowers, the Roman and Persian empires to Islam, who did so.

But the same Arabs have been reduced to total subservience to the cursed Judeo-Christrian supremacy to day.

Why! Why!!, and again Why??

The only reason is, that the Arabs have betrayed and transgressed the final Trust of Allah (SWT), which He bestowed upon poor Arabs by His sublime mercy, Message, and His final Messenger (SAWS).

The earth, this globe, is not the colony of the progeny of Adam. They are only the passing faces, sent to this earth to earn their credit they had lost to Satan, and go back to their ultimate destiny, the world after death. Those who do not believe it, they are unbelieving renegades.

There is no scope for colour, race and colonial prejudice in the world of believers. Allah (SWT) had sent mankind to cultivate their faith in this world, to reap in the other world, and leave their successors to inherit their land to follow the suit. No question of establishing any permanent colony here! Because, they themselves are mortal and temporary, how can they venture for permanency here?

It is said that when continents of the earth were contiguous, man spread over the earth from Asia. Men from Asia walked and migrated to north America by the northern equators, and from Africa to south America. When the continents drifted apart, the migrators lost the links with their fellow brethren. American red Indians and blacks are the progeny of those migrators. Likewise, the Australian aborigines are also the offspring of migrants of south eastern Asians.

Were these migrants colonists? Certainly not. They were the cultivators on the earth!

Now where are they? Who cleansed them racially?

The so called civilised people of Europe, sick with the diseases of colours, races and cults, occupied the lands in the continents adrift, and made the world of human cohesion, the world of coercion and racial apartheid and prejudices.

Those devils and demons of all human abuse, they have become today the champions of human liberty and human right! What a contrast! Can there be a more cruel joke than this?

***

Allah (SWT) has created this earth for His Mission. His Messengers are the reminders and renewers of His Mission on the earth. All the Messengers of Allah are chosen and raised from Asia only, as the known sources indicate.

Makkah, is the navel point of the earth, where the first abode of Allah for the guidance of the mislead, Kaabah, was built after Adam's fall on the earth. Then it was renovated by

His Messengers, Noah and Abraham (AS), and finally reformed, man and materially, by Muhammad (SAWS).

First, Allah (SWT) has purified His would be Prophet Muhammad (SAWS) from the influence of his infidel father and mother Abdullah and Aminah, by making him orphan, then cleaned him from the false attachment of Qureshi upbringing by raising him in absolute care of Barakah (RA) and finally by Migration, "Hijrat" to Madinah, where he made Madinah the bastion of his "Rise and Raise".

The Messenger of Allah's final Message did not colonise Madinah for him, nor for his Makkan people. But he, categorically, nulled the possibility by graftically binding each Makkan Migrator with a Madinite Helper. But after that too, he apprehended the breach and schism of Makkan elites against the Ansars of Madinah, and he repeatedly reminded Makkans the role of the people of Madinah, and cautioned them against any act that may hurt Madinites.

To balance both Makkans and Madinites, and the rest of the people, who may fall prey to tribal, racial and colour prejudices, Allah (SWT) taught His Messenger by revelation, that his Mission is to raise an assortment of his tested followers among the oppressed and under privileged people like him, as he himself was an underprivileged, being a poor orphan. He rightly chose Zaid, an Arab, but a victim of oppression, Bilal, Ammar, Suhaib, Salman, Usamah and alike, from slaves and under privileged from Arabs and black non-Arabs.

Raising them to the zenith of the quality, the Messenger (SAW) put to test his favourite to the top job of commanding his army. He began with Zaid Ibn Harithah. On the first

appointment, the racial nobility of both Makkans and Madinites rose their nostalgia against the appointment of Zaid as the "Ameer," the Commander of Muta expedition by the Messenger of Allah over them. Whereas, the Prophet (SAW) very often taught them". Even if a black African slave emerges as your leader, you must obey him."

The Prophet (SAWS) took stern notice of the un-Islamic act of his companions, and chastised them severely, and said "Zaid is second to none among you". He advised them to shun that evil for good. Otherwise, they would follow the fate of other people, who were cursed for their dissension of the decision of their Prophets. So, they had to swallow the bitter pill.

But again, when Usamah was chosen finally by the Messenger of Allah to command a much larger army than that of his father Zaid, this time the opposition was more strong. Because at that time Usamah was only 18 years old, while Zaid was in his forties.

This time the Messenger of Allah fell ill, and he was hardly able to move on his own. He was so shocked that he came out of his death bed with the help of others, rose to his rostrum, and advised them after chastising in more strong terms, and finally warned them to shun the seeds of ignorance, schism and obduracy, or to get prepared for the deluge after his departure.

The Messenger of Allah died after two days of that sad event. After the death of the Prophet (SAWS), again suggestion came to Abu Bakr, the new Caliph, from front ranking persons like Umar Ibn Al-Khattab to change the leadership of Usamah.

But Abu Bakr stuck to the last assertion of the Messenger of Allah, as it was in unequivocal terms from the mouth of the last and the final Messenger of Allah.

But after the return of Usamah, Abu Bakr did not, or could not keep Usamah Ameer of the Army of Islam, though the matchless success of Usama's expedition was the turning point to quell the mass revolt of Arabs towards renegacy following the death of the Prophet, which he apprehended well ahead.

**الأَئِمَّةُ مِنْ قُرَيْش**

"The leadership is for Qureish" was the first lie in the name of the Messenger of Allah and the mother of deviations that turned the most perfected Ummah of Islam by its last and the final mentor, to Arabian led Ummah of schism, colonialism of poor and nomad Arabs in the good name of Islam over other nations, and other areas of the earth, and, at last resulted in the establishment of Umayyah, Abbasy and Fatemi empires to be only in lines with the then Christian and European empires and colonialism of till the date.

***

As Madinah and the other Arab-held areas became the colony of Makkan Qureish after the era of the Prophet (SAWS), their brand of Islam was, and is, a complete opposite phenomenon and misnomer of Islam, the "Faith of Allah" , إِنَّ الدِّيْنَ عِنْدَ اللهِ الإِسْلاَم and the Message of all the Messengers of Allah, beginning from Adam to Muhammad (SAWS).

The wave of reforms of Muhammad (SAWS) was rolling over the land of Allah for the spread of Islam, and the Arabs turned it into expanding their empire to earn the bad name for Islam, as racial and colonial rise of Arabs, and their brand of opportunist races like Turks, Mughals and Pathans in India.

The way the Prophet Muhammad's (SAWS) preached and practised Islam as رَحْمَةٌ لِلْعَالَمِيْن"The Blessing for all creatures" was spreading in Brahmins racial India, if the Mughal impostors did not enter India copying Abbaside imposture in Baghdad, entire India must have been converted into Islam. At that time, 10% of Indians had accepted the message of Muhammad (SAWS) to liberate them from the racial enigma of Brahmins, which was, and is the true copy of Jewish racialism, whereas Islam is the Message of total equality of mankind.

But the moment the converted Muslims of India were bracketed with Mughal ruling impostors, they also were branded as outsider invading foreign occupiers, halting the spread of Muhammad's (SAWS) faith, which Indian oppressed masses were accepting, taking Muhammad as the "Kalki Obater" or the ultimate salvator.

The reason for which the number of Muslim did not increase in India since the occupation of Mughals and Pathans, till they were eliminated by Allah's law, from the 10% at the beginning, is the rule of imperial imposture of Mughal and Pathans which corrupted the Muslims of antiracial Islam to the sinister racialism of Syed, Mughal and Pathan, as the Makkan Qureishi, Umyyad and Abbaside racial rule had corrupted the

early Muslims from the real Islam of Prophet's (SAWS) teachings, to the falsehood of Arabian Islam and occupation.

The creation of Pakistan by the Britishers was the result of an Anglo-Jewish conspiracy to divide the Muslims of India under the leadership of their created gangsters, led by a man, like Mr. Jinnah, who might be every thing, but not a Muslim of Prophet's (SAWS) ideal. Because of his leadership and his colleagues, Pakistan could not become an Islamic country, which was aimed at to be the second Madinah (?), instead, it became, and is still counting, perhaps, its last days, as a country of worst kind of sectarian bloodshed in the name of "Muhajir" and non-Muhajir, Sunni and Sheiah, like what the Makkans initiated in Madinah after the departure of the Prophet (SAWS), which ended in the holocaust of Arab Muhajirs in Spain and Baghdad in thè hands of crusaders and Halaku Khan.

Now the Arab leaders, for their leading, and the general Arabs, for their silent support to their worst leaders, are heading towards their "Malhamah Al-Kubra" or the final carnage in the fight between Christ and Antichrist. The deployment of personnel seems to be ready and the camera is also installed. It's a matter of pressing a button to begin the fire. The present day Jews, Christian and Muslims of divided truth are all antichrist, and the uniting forces of the Divine Faith of Noah, Abraham, Moses, Jesus and Muhammad, peace be upon all of them, shall be the front of Jewish Messiah, resurrected Jesus and so-called Mahdi of Muslims. It is not only possible, but nearer to truth, that the manifestation of three may be in a single person who would emerge to unify the fragmented factions of the only Divine Faith of the Prophets, and the Rabbies, Popes and the Mollahs of all the three communities

would decree against him and his followers, as outcast and renegade!

***

Jesus (AS) was sent to bring back the "Gone astray" sheep of the house of Israel to their origin, but the Zionists resorted to crucify him. Muhammad (SAWS) was, then, sent to declare both Zionism and Christianity null and void, which he did in Arabia as an example.

The Message of Muhammad (SAWS) came as the "Best Cure" for the "Worst Sick" people of Arabia, to probe the infallible credibility of the best panacea for all human sickness.

وَنُنَزِّلُ مِنَ الْقُرْآنِ مَا هُوَ شِفَاءٌ وَرَحْمَةٌ لِلْمُؤْمِنِيْن،

قُلْ هُوَ لِلَّذِيْنَ آمَنُوْا هُدًى وَشِفَاءٌ

قَدْ جَاءَتْكُمْ مَوْعِظَةٌ مِنْ رَبِّكُمْ وَشِفَاءٌ لِمَا فِي الصُّدُوْر.

***

The latest western "New world order" under the leadership of USA, is nothing but the imposture of the world colonialism of Judeo-Christian illicit partnership. Perhaps, this is what the last Messenger of Allah has termed to be the greatest ever, and hardest danger for mankind, since the creation of Adam (SAW) till the day of resurrection, "The Fitnatut Dajjal" or the "Infatuation" of Antichrist or pretended Christ."

Allah (SWT) is one. He has no partner, His creatures are innumerable. But He Himself is lone. He needs none. But all

creatures need Him every moment. Nothing can exist a moment without His Will.

Like Him, there is no dual or plurality in His "Sunnah", which is called"Deen"or'Al-Deen", **إِنَّ الدِيْنَ عِنْدَ اللهِ الإِسْلام. ومَنْ يَبْتَغِ غَيْرَ الإِسْلامِ دِيْناً فَلَنْ يُقْبَلَ مِنْهُ التوبة.** "The only Religion to Allah is Islam". Islam means and stands for total submission to the Will and the Nature of Allah.

From Adam to Muhammad, all the Messengers of Allah, peace be upon all of them, were sent only on His Lone Religion of submission, Islam, as there is no plurality in the Faith and the Religion of Allah (SWT).

There is plurality in the physical persons and the numbers of the Messengers. But there is no plurality in the Message itself, they were sent for. All were sent with the Lone Message "There is no god, but God".**لاَ إله إلاَّ الله**

Allah Himself Witnesses, “There is no god save Him”

**شَهِدَ الله أنَّهُ لاَ إلهَ إلاَّ هُو**

Angels and the people of just knowledge, also witness **وَالْملاَئِكَة وأوْلُو الْعِلْمِ قَائِماً بِالْقِسْط.**

"There is no god save Him, the Almighty, the Wise,"

**لاَ إلهَ إلاَّ هُوَ الْعَزِيْزُ الْحَكِيْم.**

This was the witness and message of all the Messengers of Allah, nothing more and nothing less. Only the stupid people fail in witnessing the Oneness of Allah.

***

هُوَ الَّذِيْ أَرْسَلَ رَسُوْلَهُ بِالْهُدَى وَدِيْنِ الْحَقِّ لِيُظْهِرَهُ عَلَى الدِيْنِ كُلِّهِ.

Allah (SWT) has repeated this verse in three places in the Quran, in the chapter, Tawba, (The Repentance) Fat'h (The Victory) and Saff (the Row).

This verse of the Quran unambiguously tells that there is only one "Deen" or the Religion, and that is Islam. Allah(SWT) has started revealing His Deen, chapter by chapter, by sending His first Messenger Adam (AS), and continued the chain till He sent His last messenger, Muhammad, (SAWS) to project him on the entire or the "Total" of His only Deen. And not at all, He sent Muhammad with a different deen, to prevail Muhammad (SAWS) over other Deens," to project Muhammad on a new "Deen", to raise "Muhammadan Ummah" to create another community to fight against Jews and Christians as only another religion!

But the most astonishing and surprising is the translation of the commentators of the Quran, without any exception, that they wrongly translated the verse saying, "Muhammad (SAWS) was sent with Guidance and the Religion of Truth to make His religion prevail upon all other religions". This is the greatest ever misinterpretation and wrong translation of the most important verse of the final Scripture, the Quran, that emphatically defines the Message, Mission and the purpose of Muhammad (SAWS) who was sent as the "Final Messenger" of Allah (SWT).

May Allah forbids, if that was the purpose of Muhammad's Message, then the verse, must have been as,

هُوَالَّذِيْ أَرْسَلَ رَسُوْلَهُ بِالْهُدَى وَدِيْنِ الْحَقِّ لِيُظْهِرَهُ عَلَى الأَدْيَانِ كُلِّهَا and not على الدين كله because the word "Deen" is singular here, not plural, "Adyan," Deens!

This is an unintended mistake, or the prompt inspiration of Satan who initiated it in an unmindful moment of the carliest translator, and the later commentators simply followed that mistake, that has to be revealed!

This dangerous misinterpretation has paved the way to make Islam, the religion of the Qureish tribe first, then the religion of Arabs, and finally the religion of Muslims, who are the followers of a separate faith and religion, like Jews and Christians. That made not only the Jews and the Christians say that there is plurality in the divine faith, but the so-called Muslim exponents of Islam also echo with others, that there is plurality in the Divinity and the Divine Faith, or the Religion of Allah!

This is nothing short and less than saying, "There are partners of Allah, who have different religions, and they have their different people of faiths," so there is plurality in Universal faith! لَوْ كَانَ فِيْهِمَا آلَهَةٌ إلاَّ الله لَفَسَدَتَا، فَسُبْحَانَ اللهِ رَبِّ الْعَرْشِ عَمَّا يَصِفُوْن.

This unpardonable schism in Islam has its origin from the volleys of lies uttered by the Arabs, especially Makkan Qureishies just after the death of the last Messenger of Allah. Real Islam makes its believers none, but brothers who say in all circumstances, “We” only, and can never say “We” and “You” among themselves. Whenever they would say “We” and “You”, they simply cease to be within the bound and the bonds of Islam.

Those who said (if they said at all) "Arabs shall not accept any religion except under the leadership of Quriesh" and "The leaders must be from the Qureish" have uttered the words of "Kufr" and chism after Islam.

When the Makkan leaders of the Qureish said to their Madinite Ansar counterparts "Leaders are from amongst us and the advisers are from amongst you", they subjected them to be eliminated by the wrath of Allah Almighty.

نَحْنُ الأُمَرَاءُ، وأَنْتُمْ الْوُزَرَا، مِنَّا الأَمراء ومِنْكُمُ الْوُزَرَاء.

The utterness (Arabs shall not accept any religion, except under the leadership of Quriesh) and (Leader must be from the Quriesh) were the prompt inspiration of Satan against all the teachings of the Quran and the practice of the last Messenger (SAWS).

That was the reason they were completely reversed from the blessings of Islam to the curse of infidelity of Umyyad and Abbaside imperialism within the thirty years of the death of the Prophet (SAWS) under the set-law of Allah, وَالَّذِيْنَ كَذَّبُوْا بِآيَاتِنَا سَنَسْتَدْرِجُهُمْ مِنْ حَيْثُ لاَ يَعْلَمُوْن. وأُمْلِي لَهُمْ إنَّ كَيْدِيْ مَتِيْن.

(Those who repel, Our Signs, We wipe them out step by step that they do not feel even. I only give them respite. My system is unfailing strong) Aaraf-182-183.

So, the Arabs of worst kind of renegacy, hypocrisy and most fitted to be ignorant of limits of Allah and His Messenger, who were blessed with the best cure **هدى وشفاء** were again reduced to their even worst, within only the span of thirty years. Furthermore, they concoctedly fabricated traditions in

the name of the Prophet (SAWS) saying "The Prophet said that the Caliphat will continue for thirty years after his death, and then there will be empire after that."

What a blatant lie..? That too in the name of the Prophet (SAWS)!

Whereas the Prophet (SAWS) did not appoint any body as his Caliph, or successor. He can't. He wasn't been empowered, as it is only Allah (SWT) Who makes, إِنِّي جَاعِلٌ فِيْ الأَرْضِ خَلِيْفَةً، إِنِّي جَاعِلُكَ لِلنَّاسِ إِمَاماً. I am the Maker of Caliphat on the earth, and I am to make you the Imam for mankind!

***

So, the Arabs are reduced to their size by Allah (SWT) step by step, that they are now 100% in captivity of Judeo-Christian vicious circle. They are to be resurrected and recycled only by a non-Arab and non-racial universal leadership of the kind of Muhammad (SAWS) who was "Rahmatul lil-Alameen." وَمَا أَرْسَلْنَاكَ إِلاَّ رَحْمَةً لِلْعَالَمِيْن.

"We sent not you, but the Mercy and the Blessing for the Worlds." Neither for Qureish, nor the narrow Arabian schism.

***

Now the time has arrived more than mature to rise and raise as Muhammad (SAWS) did, with Zaid, Barakah, Khadeejah, Bilal, Abu Dhar, Ammar, Ibn Masood, Suhaib, Salman and Usamah, etc. Who shunned all the drops, dirts and dots of racial, colonial and parochial meanness. They

completely dissolved their selves and souls, for Allah's "Khilafah" following the ideal of the Prophet (SAWS), whom Allah (SWT) cleaned and purified from his infidel parents, and raised him by Barakah, who was really a "Barakah" which means blessing from Allah, to raise His last and the final messenger, free from Qureishi and Arabian racial prejudices.

Muslims worth name in all places of the world must make a total purge of their rank and file to be the followers of the last Prophet (SAWS), on the "Millat", the Religion of Abraham (SAWS) to free and clean the world from the racial, political, economic and social colonialism of America and Europe, and their sycophants throughout the world.

The misnomer Muslims, who left their respective countries for better living, to Europe, America, Australia and other developed and developing countries, are not Muslims of Noah, Abraham, Moses, Jesus & Muhammad (peace be upon all of them) and their common Religion, the Islam. They are sub-colonialists under the subjugation of their master colonialists. As they are treated in those societies like second and third class citizens, they resort to their communal entity to make their existence felt under the bound and the bond of fragmented religion. That is all about their Islam and religion.

Their aim and objective of the whole life is to live the life of affluence exactly like their masters, with all permissiveness and material gains and gay.

They are the worst examples of their best Religion in those societies.

***

Now the only job and the mission of the Muslims, who mean their faith, and believe their accountability to Allah (SWT), is to shun their all pluralities both at home and abroad. They must say, that they are neither Sunni nor Sheiah, or any thing other than "upright Muslims," like Abraham and Muhammad, who were neither Jew and Christian, nor Sunni and Sheiah.

Most importantly, the Muslims migrants in Europe and America, among whom a good number exist who dream of global Islamic resurgence, must shun their divisions which seeded from Qureishi and Arab-non-Arabs schism of early days. Then they must diassociate them from all sub-divisions like, Saudi, Egyptian, Libyan, Kuwaiti, Irani, Indian and Pakistani and alike divisions.

The only way to do that, successfully, is to do away with begging and accepting money and contribution from above mentioned countries and their agents. Those governments are real devils to divide the Muslims on behalf of their masters, both Satan and man. They are on the payroll of their masters.

As the Mission of Abraham, Moses and Muhammad (PBUT) could not, and did not come up by the help of Nemrud, Pharoas and Abu Sufyans, the final and the ultimate triumph of those prophet's mission also shall never resurge with any kinds of association with the present day Nemruds, Pharaos and Abu Sufyans. They are the same kind of "Tagoots" in different names.

Islam, the Religion of Allah (SWT), was institutionalised by the "Imamah" of Abraham (AS) and finalised by the full and complete projection of the last Prophet Muhammad (SAWS).

The last Messenger (SAWS) is the divine model to make the black, white and coloured people of the world, “One Nation” under the banner “There is no god, but God”, to eliminate Satan’s colonialism and its exploitation of man by man.

فَاعْلَمْ أَنَّهُ لاَ إِلهَ إِلاَّ الله واسْتَغْفِرْ لِذَنْبِكَ ولِلْمُؤْمِنِيْن والْمُؤْمِنَات.

Messiah, Jesus and Mahdi shall not emerge for crowning and coronation from any of the Jewish, Christian and Mohammedan communities. But the awaited blessed leader is cherished by the non-racial and the non-prejudiced majority of the three faiths, to free faiths, to free them from the vicious circles of Rabbis, Popes and Mollahs of Zionism, Christianity and Islam, to pave the way for the unity of mankind under the singular Faith of Allah.

إِنَّمَا الْمَسِيْحُ عِيْسَى بْنُ مَرْيَمْ رَسُوْل الله وكَلِمَةٌ أَلْقَاهُا إلى مَرْيَمَ وَرُوْحٌ مِنْه– مَا المَسِيْحُ ابْن مَرْيَمَ إلاَّ رَسُوْل.

The theatre of "Armageddon" or the "Malhamatul Kubra" between the forces of ultimate truth and the imposture seems to be set in the Middle East to eliminate the Arabs and Zionists, and their American "Antichrist" in the hands of real followers of Noah, Abraham, Moses, Jesus and Muhammad, peace be upon all of them.

## THE WAY TO ULTIMATE MIRACLE. ARMAGEDDON BEFORE ARMAGEDDON.

The only way to ultimate miracle of harmonising the human society into one family of mankind, is the practical implementation of the model, the Almighty God has blessed by His final Messenger Muhammad (SAWS).

The world of Satanic material vices and political imposture which has made the human society a "warring hell" by dividing and sub-dividing men of one origin, Adam and Eve, into innumerable races, colours, creeds and cults, now turned its face of strangling constriction to another extreme diarrhoeal laxation to kill the poor.

The diabols of devil's materialism, after imposing hundreds of restrictions in the way of earning the livelihood of man, now all on a sudden, have become the prophets of free economy, free market, free world and "One World!"

Why? Have the devils turned divine by repentance?

Never, never.

They simply have turned their coin from one extreme end to another end. By their new slogans of free world, they mean to run the entire human world into a single domain of their prostitution, gay and perversion, so the world becomes the slave of their economic AIDS and technology, the prey of their killer disease, STD, HIV and AIDS. Their electronic media and the Internet is more murderous than nuclear detonation, to do the devils' job silently.

## The clarion call:

"O the believers of the Faith of Noah, Abraham, Moses, and Jesus, let us look at the salient points that Allah (SWT), the Creator of us all, Has raised Muhammad to fit us as His last and the final Messenger."

1. Muhammad was raised and cleaned from the racial prejudices by making him orphan of his pagan parents, and was looked after throughout his life by a colourful lady, who was also by name a "Blessed lady", which is in Arabic "Barakah". How a blessing to bring blessings for the mankind! She was exactly like Hegar, who had raised Ismael, the ancestor of Muhammad from the House of Abraham. Muhammad was the chosen messenger to unite the divided followers of Abraham, Jews and Christians, and most of the people of the world into the original Faith and the Religion of Abraham in its totality.

2. Muhammad did exactly what Abraham did against his pagan people, and migrated as Abraham migrated. Both Abraham and Muhammad, peace be upon them, were the exponents of singularity of the Faith and the Religion.

3. Abraham and Ishmael built Makkah for the guidance of mankind and Muhammad cleaned Makkah from the occupation of the idolatry of the Qureish, like Abraham did by breaking idols. Both paved and cleaned the way for man to be in connection directly with their God without any intermediary of third persons. Because the third party between man and God creates the gaps for

Satan to mislead and exploit mankind, and the class and racial prejudices crept out of that.

4. Muhammad (SAWS) came with the last Message of unity of mankind to the worst and meanest of human begin, the Arabs, who were disintegrated like their desert sands, quarrelsome, bloody and hypocrites. Muhammad (SAWS) purged them of all the evil designs, the Arabs were sunken in, and had raised a unique model of human oneness by raising and promoting a black maid of his father to the glory of the mother of the final Prophet, raising a kidnapped boy, who was sold as a slave, Zaid, to be like his most blessed son, Zaid's and Barakah's son Usamah, a beloved, son of beloveds, الحُبُّ بْنُ الْحَبّ the family and the household members of the Final Prophet (SAWS) أَهْلُهُ وأَهْلُ بَيْتُهُ

5. Muhammad (SAWS) had formed the nucleus head of his followers, first from the oppressed and neglected of Arabian barbarism and barbarity, like black Bilal, Suhaib Roomi, Ammar, Ibn Masood, Abu Dhar Ghifari, Sulman Farsi, Salem and Thaubans. He specially had groomed them to be precise model of his Mission, as he made Zaid and Usamah, the Commander of the Army of Islam over Makkan Qureishi nobles like Abu Bakr, Umar, Ali, Talha, Abu Ubaida and Zubair etc.

6. Islam and its Message had raised ordinary Makkans, like Abu Bakr, who was an ordinary trader, Umar Ibn Al Khattab, who used to earn his livelihood by making acrobatic shows in the weekly open Markets of Makkah

like Ukaz, and others like them to the zenith of the Caliphate of Islam, who subdued two super powers of the time, the Roman empire and the Persian empire. It is Islam and its Prophet (SAWS) which brought them from oblivion to immortal memory and, never their individuality that made Islam to be indebted to them, or any body. So, the so-called talk, "The leadership of Islam (Imamah) is vested in the Qureish" or "The Arabs shall not accept the leadership of any other, than the Qureish" was an aspersion, false and fabrication in the name of the Prophet (SAWS). That unfortunate utterance was the beginning of the schism of Qureish after the blessings of Islam, and that obnoxious words have kicked the Qureish back to their original barbarity. They went back from Islam to Qureishi imposture, then again divided into Umayyad and Hashemides and, finally they were cursed by Allah to be found nowhere in the world as a community, worst than the Jews of Zionism. Perhaps, because the Qureish have betrayed the final Trust of Allah (SWT), while the Jews have breached the interim trust only!

7. The chosen followers of Abraham (AS) have breached the Faith, and went astray. Allah (SWT) then sent Jesus to bring back the gone-astray sheep to their home. Instead of coming back to the singular right path, they obdurately bifurcated the Truth into two "the Judaism and the Christianity. Finally, Allah (SWT) sent His Final Messenger Muhammad (SAWS) to mend the breach, calling the people of the Book, "O the people of the same Book, come back to the common Creed between us and you". That common creed is, Oneness of Allah, oneness

of the Faith, oneness of the Message and the oneness of all the Messengers. Muhammad (SAWS) did his Mission. But the progeny of schism, Arabs again divided the message of unity into two, Sunnism and Sheiaism, in complete unison of Zionism and Christianity. Now these four, the Zionists, Christians, Sunnis and Sheiahs are in face to face conflagration in the Middle East. Just waiting for the antichrist to initiate the Armageddon, or the Malhamatul Kubra.

8. Allah (SWT) had sent His last Messenger, Muhammad (SAWS) with His Universal Blessigns to unite the mankind under the banner of His Truth for which He had sent Moses and Jesus, the Faith of Abraham, peace be upon all of them. The panacea of all the ills that the world humanity is suffering from, is to undo the four divisions of the Divine Faith, the Islam, namely Judaism, Christianity, Sunnism and Sheiaism. He, who would emerge to lead this job, is the Messiah of Jews, Resurrected Jesus of Christians and the Leader of Guidance or the Imam Al Mahdi of the so-called Muslims.

9. The followers of that "Guided Leader" shall emerge from the vast majority non-racial, non-communal and non-prejudiced people of the three factions of the Divine Faith, particularly, and other people generally. The model of that unification is the Model of Muhammad (SAWS) who himself emerged as an oppressed person of his Arab people, and was raised by an oppressed black woman, Barakah, and he himself raised his precise hard core of his army by promoting Zaid, Ammar,

Suhaib, Abu Dhar, Bilal, Ibn Masood, Salman, Khabbab, Salem and Thauban etc. by his special care, and they too accepted the Message of Allah and His Messenger with total dedication, unlike others. In gradation, Barakah, Zaid, Usamah, Ammar, Abu Dhar and their kind were the diamond core of Islam. The people of Madinah were the ground grade, other Arabs were complementary grade and the Makkans, the Qureishi were the most opportunists and liability grade.

Zaid, Ammar, Suhaib, Bilal and Salman etc. had embraced Islam as the divine and the ultimate truth, and accepted Muhammad (SAWS) as the Final Messenger, pure and clean from all prejudices, races and colours. Ansars of Madinah had followed them risking the enmity of the entire Arabs. Poor people of Yathrib, who were neglected, and their Yathrib was also a poor and disease infested village. They housed the Messenger of Islam and his oppressed followers inviting the anger and the reprisal of Makkans and Qureish, who attempted to eliminate the Messenger of Allah and his oppressed "hard core companions," had not the Muslims of Yathrib provided them with shelter and sanctuary.

The ordinary non-Makkan and the non-Qureish Arabs had eventually accepted Islam and its messenger as an Arabian religion and Arab prophet. The Qureish had fought against Islam and its Messenger for long twenty one years out of twenty three years of the Prophet's life. They did not accept Islam as the ultimate Divine Faith.

After twenty one years of war and enmity, when they saw the victory of Muhammad was irresistible, and their fall is

inevitable, and further more they saw the worldly gain of wider leadership imminent, they accepted Muhammad as Qureish and his message as a "doctrine" of the leadership of the Qureish over others, not Islam as the universal faith, and Muhammad (SAWS) as the messenger of universality. When the Messenger of Allah was in the outskirts of Makkah for its conquest, and cunning trader of usury Abbas Ibn Abdul Muttalib had told his friend Abu sufyean, the leader of infidel Makkans against Islam and its Messenger (SAWS), that he has come to conquer Makkah the following morning, Abu Sufyan spontaneously said to Abbas. "It means that the empire has fallen to your nephew!"صَارَ الْمَلِكُ لأبْنُ أخِيْك

That is what the Qureish have proved beyond any doubt just after the death of the Messenger of Allah. They lied in the name of the Prophet (SAWS) and said: The leadership of Islam is for the Qureish".اَلأَئِمَّةُ مِنْ قُرِيْشٍ

By a single lie, the Qureish had splitted the united Ummah of Islam from singularity to plurality, from Islam to Muhajir and Ansar, and from Muhajir to Umayyah and then Hashemide, and Semitic, Black, Sunni and Sheiah and so on.

Qureishization of Islam and its Prophet (SAWS) had paved the way for non-Qureish Arabs to claim false prophethood as they came into the fold of Islam as a universal faith. But when Qureish lied, they had no choice but to lie. As no sensible and sane people can conceive the leadership of the Divine Faith to be vested in a tribe like the Qureish, who desecrated the Holy Ka'bah of Adam, Noah, Abrahm and Moses with 360 idols, and not only refused to accept the final Messenger of Allah (SWT), but were out to eliminate him, had

he not migrated to Yathrib, to be the leader, guardian and the custodian of Islam, and inherit the Prophet's Trust. Whereas the last Messenger was sent to clean and purge Kaabah and Makkah from the infidelity of the Qureish and the Makkans, and rededicate Makkah and its sanctuary for the guidance of entire mankind with absolute equal right between its inhabitants and visitors, as declared by Allah (SWT) in the Quran سَوَاءنِ الْعَاكِفُ فِيْهِ وَالْبَاد and reassured by His last and final Messenger by his sermon he delivered in his farewell pilgrimage before his death. لاَ فَضْلَ لِعَرَبِي عَلَى أعْجَمِي ولاَ أبْيَضٍ عَلَى أسْوَدٍ،ولاَ أسْوَد علَى أبْيَضْ إلاَّ بِالْتَقْوَى

***

## THE CONCLUSION. LAST BUT NOT THE LEAST

The thing that emerges by a miracle, concludes by a miracle. Islam was finalised by Allah (SWT) by His last Messenger, whom He raised as non-racial, like He raised Adam non-racial against the will of racist Satan.

The term of Satanic racist colonialism of the West-East and the Middle East is on the count-down. The "Zero" is imminent.

General Arab brethren of Zaid and Bilals' origin are the worst sufferers under the dictatorial despotic rulers of their own race in the very land of the Prophets. As if the Nemrud, Aad, Thamud, Pharao and Abu Sufyans are ruling over them in different names and styles!

Allah (SWT) had sent His Final Messenger with His declared Wish, "I have wished to be Gracious to the oppressed on the earth, to make them leaders and make them heirs, and to establish them in the world with firm authority and show the (contemporary) Pharaos, Haman and their hosts, whom they were afraid of .

وَنُرِيْدُ أنْ نَمُنَّ عَلَى الَّذِيْنَ اسْتُضْعِفُوْا فِي الأَرْضِ وَنَجْعَلَهُمْ أئِمَّةً وَّنَجْعَلَهُمُ الْوَارِثِيْنَ، وَنُمَكِّنَ لَهُمْ فِي الأَرْضِ، وَنُرِيَ فِرْعَوْنَ وَهَامَانَ وَجُنُوْدَهُمَا مِنْهُم مَا كَانُوْا يَحْذَرُوْنَ

Zaid, Ammar, Bilal, Ibn Masood, Salman and the likes were the precedence. Prophet (SAWS) made them "Leaders and Heirs". He made frequent references, and said, "If an African or Abyssinian slave is too emerges as your Imam, you must obey him."

اسْمَعُوْا واَطِيْعُوْا وإنَّ أمْر عَلَيْكُمْ عَبْدٌ حَبْشِيٍ مَا اقَامَ فِيْكُمْ كِتَاب الله

Arabs failed to keep that standard. Now they are the slaves of racial Jews and Christians. Makkah, Madinah and the Mosque of Al-Aqsa are in the captivity of Zionism. Arabs are facing extinction in the hands of Israelites.

Iran has disqualified her as a Sheiah first and a Muslims second. And the Afganistan is in a dilemma, on a cross road of Sunni and Sheiah. If Taleban can come out as Muslims, they have the chance to be "The Equator" of the New World.

Now the panacea is left for the general Muslims, including the deceived Arabs by their Arab Rulers, who are first Saudis, Iraqis, Egyptians and Syrians, Arabs second, and Muslims last, are to have a thorough repentance (Tawbatun Nasuhah) that:إنْ يَشَأ يُذْهِبْكُمْ وَيَأْتِ بِخَلْقٍ

جَدِيْد، وَمَا ذَلِكَ عَلَى اللهِ بِعَزِيْز– يَسْتَبْدِلْ قُوْماً غَيْرَكُمْ ثُمَّ لاَ يَكُوْنُوْا أمْثَالُكُمْ.

There is no Faith لاَ إيْمَانَ فَوْقَ الْتُوْحِيْد beyond Al-TAWHEED, and, there is no Religion and Shariah beneath the Message:

ولاَ دِيْن ولاَ شَرِيْعَةٍ مَا دُوْنَ الرِسَالَةُ يا أيُّهَا الْذِيْنَ آمَنُوْا اطِيْعُوْا اللهَ واطِيْعُوْا الرَسُوْلَ وأوِلِي الأمْرِ مِنْكُمْ.

"Obey Allah, and obey the Messenger, and those who are in command from amongst you," means clearly, that the believers are to obey Allah (SWT), obey His Messenger, and obey the man-in-command, the best amongst the believers, in

their contemporary time, and not anybody who is not the true followers of Allah and the Messenger.

Whoever added, adds and would add any one, Sahabi, Tabeyee and so on, they are none but the transgressors of the Divine Faith and the Divine Book, which say :

1. "You have indeed the best example in the Messenger of Allah

وإنك لَعَلَى خَلْقٍ عَظِيْم"

2. "He who obeys the Messenger, obeys Allah. But if any one turns away, I have not sent you as their protector,"

مَنْ يُطِعِ الْرَسُوْلَ فَقَدْ أطَاعَ الله، ومَنْ تَوَلَّى فَمَا أرْسَلْنَاكَ عَلَيْهِمْ حَفِيْظاً

In nearly twenty places Allah (SWT) has repeated His assertion to obey Him and His Messenger, and qualifiedly ordered the believers to obey from amongst the best of them in their contemporary time.

وأُولِي الأمْرِ مِنْكُمْ– إنَّ أكْرَمَكُمْ عِنْدَ اللهِ أتْقَاكُم

But the usurper Arab racial rulers after the death of the Messenger (SAWS) have added them to obey, to indemnify their transgression and usurpation, and a chain of paid Mollahs have made schools for institutionalising those crimes under the garb of religion which reduced the Islamic Ummah to the present liquidation. Makkah and Madinah also have been given as a gift to the Judeo-Christian masters to leave Al Saud in the worldly heaven! What a strange custodian of the Two Holy Mosques! Are they not the true heirs of the early Qureish, who

have initiated the beginning of this end by establishing Empires like the Romans and Persians again after Islam?

## THREE POINTS TO REVERSE THE CLOCK

1. **The Universal Non-Racial Faith is to:-**

"Accept, practise and preach Islam like Noah, Abraham, Moses, Jesus and Mhuhammad, peace be upon them. Do never singleout any Prophet, like Jews and Christians, who glorify one prophet on another, make one the son of God and ridicule the other. Make no difference among the Messengers, and say, "Whatever we heard, we follow, forgive us God, we all shall return to You."

وقَالُوا سَمِعْنَا وَاطَعْنَا غُفْرَانَكَ رَبَّنَا وإِلَيْكَ الْمَصِيْر.

"Worship Allah, fear Him and follow the Messengers"

أنِ عْبُدُوْا الله واتَّقُوْه واَطِيْعُوْن

"Hold the belief that the Torah and the Bible are the parts of the Divine Scriptures, and the Quran is the full, complete in all respects and the last Book of Allah."

All Messengers, from Adam to Muhammad (SAWS), are the model and ideal for all mankind. None of them are for any race and racial faith. No Messenger has a particular Ummah of his own. There is no plurality in the Divine Faith, as there is no god to be worshipped other than Allah. There is no Faith other than Islam, there is no Ummah other than the Ummah of Islam, and Messengers are the front-row of the Ummah, as there is only one human nation in the world originated from one Adam. All other nationalities are void to the believers in One

God. Those who divide mankind into nationalities other than "One Nation" are Diabols, and Belials in the shape of man to mislead the mankind to discord in this world, and push in to the hell in the other world.

The greatest attribution of the last Messenger of Allah, Muhammad (SAWS) is what Allah (SWT) Himself has attributed, that he is the Final Messenger and Blessing for all creatures.

وَلَكِنَّ رَسُوْلَ اللهِ وخَاتَمُ الْنَبِيِّين– ومَا أرْسَلْنَاكَ إلاَّ رَحْمَةً لِلْعَالَمِيْن

All believers in Allah must shun and renounce the follies fabricated by liars about the Final Messenger of Allah that the universe was created because of him, he was created from the light (Noor) of Allah and he is the leader of all the Messengers, and many other concoctions. Those are the fabrications in the name of the Messenger of Allah imagined by the sick Arabs, who wanted to hide their failures by portraying their Arabian(?) Prophet above the Jews and Christian prophets whom they attributed to be sons of God.

The ultimate and the final Messenger of Allah, Muhammad (SAWS) was born as an ordinary man in a most poor family like Moses and Jesus (AS). Muhammad (SAWS) said that his mother was so poor that she had to subsist on dried meat she used to preserve from the sacrificial animals during Hajj and the pilgrimage.

أنَّا إبن إمرأة تأكل مِنْ قَدِيْدٍ الأضاحي

His uncle Abu Talib too was a very poor man. Muhammad had to subsidise his uncle by rearing cattle. His

parents were idolators like his uncles Abu Talib, Abu Lahb, Abbas and his grand father Abdul Muttalib who was the Chief priest of Kaabah - turned temple, where 360 idols were housed. They were not "HANEEF" at all. All were but idolaters.

It is Muhammad (SAWS) who restored and cleaned Kaabah from the dirts of infidelity after defeating Arabs to reintroduce the Upright Faith (Hunafa) of Abraham, Moses and Jesus. Out of the first forty, who embraced the message of the Muhammad (SAWS), thirty four were the slaves like Zaid, Bilal, Suhaib and Ibn Masood etc.

Muhammad (SAWS) was neither the Prophet of Qureish, nor of Arabs. He was a son of Adam, sent for the progeny of Adam. He was the last Messenger of Allah, while Adam was the first. We make no distinction among them. We follow Muhammad (SAWS) like Zaid, Ammar, Abu Dhar, Salman and Usamah had accepted him, not like Qureish and Arabs, who turned Islam again to racial Arabianism, and turned it to be only at par with Jewish, Christian and Persian empires of their religions.

Wherever the Islamic revivalists are, especially in non-Muslim countries, like Europe, America, India, Russia, China, Japan, Australia and Africa, they must practice, preach and project the life of the Muhammad, the Messenger of Allah for entire mankind. Not at all portray him as the Arabian Prophet, first for Qureish, secondly for Arabs, thirdly, for so-called Muslims and lastly for others.

Real Muslims, wherever you are, you must form a conceptual and practical family of members, like Muhammad, Barakah, Zaid, Khadeejah, Ammar, Ibn Masood, Usamah,

Salman and Salem etc. and integrate completely with local population like the Prophet (SAWS) did at Madinah. You must not keep your separate entity like Arab, Indian,Bangladeshi and Pakistani etc. As a Muslim, you may draw the results of experiments of Abu Bakr, Umar, Uthman, Ali, Umar Ibn Abdul Aziz etc. to take lessons from their successes and failures. They are not our ideals. Their success and failures are theirs. Except the Prophets and the Messengers, all others would be judged by their own deeds. Allah knows everything in nuclear details.

Among the ladies of the House of the Prophet (SAWS), Barakah, Khadeejah and Umme Salamah have proved to be more for the cause of Islam than for their ownselves. They did not want ease of life for themselves from the Prophet (SAWS). Whereas, Ayesha and Hafsah had demanded the ease of life from their husband, the Messenger of Allah, as they were also ladies like others. Allah (SWT) has revealed a chapter in the Quran to limit them well, within their bonds, and this must be the lessons for all Muslim women.

To teach the women folk of Muslim regeneration with conducive ideals, we must focus more on the lives on Hajerah, Barakah, Khadeejah and Umme Salamah, and warn them of the consequences of the wives of Noah and Lot(AS), by whom Allah (SWT) had fixed Ayesha and Hafsah. Nobody must rise above the fences fixed by Allah (SWT) he or she, be it the Prophets and their wives.

Like other mistakes, most unfortunately Sunnis adore more Ayesha, as Sheiahs do for Fatimah. Both are our most respectable personalities. But they give no due share to Khadeejah who has no match in the household of the Messenger (SAWS).

Most heartening is the matter of Barakah. Be it Arabs or non-Arabs, Sunnis or Sheiahs, they unpardonably nearly omitted the role of the "Blessing of Allah" (SWT), Who sent Barakah to raise Muhammad from his birth, till the attainment of prophethood, and helped and shadowed him till the death. Her place to Allah (SWT) and His Prophet can easily be understood by looking at her husband Zaid and son Usamah, who were the commanders of two major battles the Prophet (SAWS) dispatched before his death, where Abu Bakr, Umar and all other 'big brothers' were ordinary sepoy under them!.

Muslim women worth their name, must ponder this point in their lives. They have long tongues against the polygamy of Islam and the Prophets, Muhammad and Abraham, following the western liberation of women, who prefer to be prostitutes rather than to be partners with wives in a house of chastity.

The quarrel and bad relations between the mother Ayesha and Fatimah was more of women nature and human limitations, not on Islam and its interpretation. Fatimah wanted the authority of Islam should remain nearer to her, as the Prophet (SAWS) was her father, and Ali was her husband, the cousin, son in law and the first young male to accept the message of the Messenger of Islam. Ayesha took the hard line thinking that the Prophet (SAWS) was her husband, and the first Caliph of Islam, Abu Bakr was her father. So, the authority of Islam must remain nearer to her reach. The quarrel of these two ladies had nothing to do with the principles of Islam. This was nearer the similarity of the discord of our contemporary period between Benazir and Nusrat Bhuttos of Pakistan, and Khalida and Hasina in Bangladesh, who oppose each other for

the authority of their dead husband and father, respectively, in respect of nasty politics only, where the nation is to suffer, as the Muslims were subjected after the death of their Prophet (SAWS).

**Though it is a simile, not a similarity.**

The Muslims, men and women, who dream the revival of Islam through out the world, must choose the ideal of women in Hager, Asia, Mary, Barakah and Khadeejahs, who gave everything they had, for the cause of Islam, and claimed nothing in return, except the pleasure of Allah.

Sunnis who adorn Ayesha, and Sheiah who adorn Fatimah, are equally on the wrong to harm themselves by pushing mother Khadeejah to the backward, who is the paramount in the house of Islam, and the Arabs and Muslims in general who lessened the dignity and importance of Barakah, Zaid, Bilal, Salman, Suhaib and Usamah, are criminally racist and the distorters of the very base of Islam.

Islam, the liberator of mankind from all kinds of curses of racialism, colonialism and pluralism, can again be reincarnated only by reintroducing the practice of the Prophet (SAWS), not by aping the Qureishi and the Arabian imposture.

## 2. EASY MARRIAGE, AND DIFFICULT ADULTERY.

Man and woman are created by half-man and half woman, and vice-versa. Allah (SWT) has introduced marriage system for man and woman. Satan stands against marriage, and in favour of adultery. Islam stands for easy marriage and divorce. Like the ebb and flow, the high and the low tides, which purify the water of canals and rivers.

The world, especially the so-called developed society, has virtually turned to be the civilisation of bastards. They are now on rampage to turn the under developed and the developing countries into their brothels by exporting their superior technology and electronic media.

They have made the marriage and the divorce difficult and complicated. So, the adultery, fornication and all other sexual perversions have become the father and the mother of the western civilisation. They are out to destroy the human being as the vicegerent of Satan, and have formed unitedly the "Antichrist" under the leadership of the United States of America after the fall of Soviet Russia.

To fight the Antichrist on behalf of Noah, Abraham, Moses, Jesus and Muhammad, peace be upon all of them, the believers have to introduce the polygamy and the easy marriage of Noah, Abraham, Ishmael, Isaac, Jacob and Muhammad, on the strict laws practised, preached and enforced by them.

Among the revivalists of Islam, the Faith of Allah (SWT), the institution of marriage must be practised easily as the Messengers of Allah did. We all the believers in the Divine Scriptures find that, Abraham (AS) the father of the Prophets, had at least three wives. Sara, his first wife had brought her jail mate, a young lady of miracle, Hegar or Hajera to her husband Abraham (AS), and proposed to him to accept her. Abraham (AS) accepted her, who became the mother of Ishmael, who built Kaabah at Makkah with his father, and the last Messenger of Allah, Muhammad (SAWS) is from his progeny.

***

Likewise, Rahel and Rebec, the wives of Ishaq and Yaqub presented their friends and proposed them to accept. They accepted them who became the mothers of their children. So did David and Sulaiman (AS)!

Satan and his human vicegerents have misled the progeny of Abraham, Ishaq and Yaqub, the Israelites, they went astray and become Zionists deviating from the Divine Faith of their forefathers. They became adulterous and sexual perverts. Allah (SWT) had sent His Messenger Jesus, son of Mary. He was strengthened with the clear signs and the holy spirits by Allah (SWT). But the Jews went further astray. Instead of accepting Jesus, they were further divided. One faction had rejected him saying him illegitimate, while the other faction made him the son of God. The present Jews and Christians are those factions of the house of Abraham and his grandson, Israel. They were warring factions, who tried to annihilate each other by holocausts. One of them has crucified the Messenger of Allah, Jesus according to their faith. Now they are the guarantor of each others security and existence. This Judeo-Christian unholy marriage has made the entire world a hell of permissiveness, and they have infested by their audio-visual media the entire human society only to be cleaned by a Deluge.

On the other extreme arena, the so-called origin of Islam

الإسْلام وخُدَّامُ الْحَرَمَيْن مَادَةُ

and its custodians, the Arabs have not only handed over their destiny to the hands of Judeo-Christian allies finally during the Gulf war against Saddam, but they have also totally

given Makkah and Madinah for good to the sovereignty of Jews and Christians. Only a non-Arab Divine resurrection is destined to free Makkah, Madinah and Palestine with Al-Quds, from the occupation of Judeo-Christian coalition.

The Arabs by their petro-dollars have conceived the world to be their heaven of debauchery. They shed their fortune behind gay, gamble and glee with foreign women and maids, as their Umyya and Abbasides ancestors did in Spain and Baghdad, leaving their women unserved and dissatisfied, who often allured other men and servants to meet their lust, like the wives of Egyptian nobles during the days of Yousuf (AS).

These Arabs, who were supposed to serve the mission of Islam by the God gifted petro-dollars, are mostly busy in their foreign missions in debauchery through their local pimps and agents. They have nearly turned Arab Emirates as the brothel of the women from the central Asian countries, who got freedom from the yoke of Soviet occupation, which reduced them to beggars for money and traders of sex.

In short, the Arabs who were given the chance by Allah (SWT), to be the custodian of Holy Kaabah by sending His Prophet (SAWS) to them, have auctioned Makkah, Madinah and Al-Quds to the Zionists and Christians, and have turned to be the worst kind of sex maniacs, with their western allies.

Now, it seems to be the zero hour to fall the wrath of Allah (SWT) on them, to kill their male and make their women as sex slaves, as happened in Spain and Baghdad in the hands of European Crusaders and Mongolian Halako Khan. Catastrophe of Bosnia should have served a lesson for Arabs, were they worth of it.

Now, the Arabs have divided into two categories, Muslim Arabs and Arab Muslims! Muslim Arabs are first Muslim, then Arabs, and the Arab Muslims are first Arabs, then Muslims. And the people who are first a race, and a nation, they are absolutely unfit to be Muslims.

**In the Arab world of the Middle East, a host of bright young people have turned to the Islam of the Message of Allah and His Prophets. They don't have the leader and the right leadership. And brute kings and the dictators of the area are now devoid of all human qualities to allow there the emergence of True Islamic leadership. Rather they are more barbaric than their western masters to eliminate any potential Islamist on behalf of their masters to nip the fundamentalism in the bud.**

So, the lone alternative left to Muslim Arabs, is to join their non-Arab Muslim brethren, as the Messenger of Allah (SWT) did with Bilal, Suhaib, Salman and Usamah etc., and must make the marriage easy as practised by the Prophet (SAWS). His marriage with Khadeejah, his marriage for his beloved raiser mother Barakah, his treatment with Zaid and his life with the Coptic Maria are the only examples for us to stop the adultery from Muslim society, and to present them as models to the sexual perversion of the world at large to bring them back to humanity.

The last Messenger of Allah (SWT), like his past predecessors, Abraham, Ishmael, Ishaq and Yaqub had practised the normal marriage with Khadeejah and Ayesha, acquired "right hand practice" مِلْكُ الْيَمِيْن with Jewish Safyyah, and the acceptance of gift with Coptic Maria.

Satan has blocked this practice to make what it is now. The inhuman shameful prostitution and adultery has been named as sex industry, free society and the market society!

All the marriages, normal marriage, marriage by contract and the marriages by gift, from both sides, on strict adherence to the Shariah of the Divine Law of Islam, must be made into practice forthwith.

The world of Satan is practising free adultery with sense of guilt and crime. This crime is committed by the Royals of Britain and the Presidents of America. But like the thieves and the criminals.

The most potential turning wheel of human society is the young and the middle aged men and women of the world. They determine the course of their lives by the built-in dictates of sexual urge and monetary benefits.

Human beings are different from devils. Because, they are created by the Almighty on His Nature, with values. Man commits wrong usually finding right path obstacled Satans put it, while the Prophets are sent to remove it.

**Now, the world is mature, people are mature, the comparative knowledge of good and bad is mature, and, above all, the time is mature. Only there is an utter absence of a mature call, by a mature leader with mature example and practice, of the divine values.**

**The moment, the call would be made and circulated by media in a befitting manner, there shall be the Deluge of Noah for the second time against the sins and the sinners. Because the men are pious by nature. They will find the**

**broad way of liberation from the slavery of the sins and the bitings of the guilt.**

### 3. ECONOMIC LIBERATION AND THE FINANCIAL FREEDOM.

The third and the final point of liberation of mankind from the slavery and the exploitation, is the Economic Freedom under the divine Law of Islam. The ultimate owner of all wealth is Allah (SWT). Adam, Eve and their progeny have been sent to this world with all resources they may need till the day of the Resurrection. There is no dearth of any thing. Man is asked by Allah (SWT) to acquire wealth as much as he can. He can own it on behalf of Allah (SWT), his Master. He is at liberty to earn wealth in permitted way, and ordered to spend it in permitted way, for him and for the welfare of his fellow men. He is never permitted to earn money in illegal way, and spend it in illegal way. He is sternly warned against hoarding money and trading in usury.

Satan, the arch enemy, has introduced usury to accumulate and hoard wealth in the hands of a few, and exploit the rest to reduce them to slavery, prostitution, bribe and barbarity.

Nemrud, Pharaos and Abu Sufyeans were the exploiters in the world, where Abraham, Moses and Muhammad, peace be upon them, were sent to liberate man from all kinds of exploitation by man. Muhammad, the last Messenger of Allah (SWT) came to set a total example finally for mankind to come.

Makkah, the first and the last threshold of Salvation of men from all human misery, became the centre of all ills. The

Qureish became the custodians of 360 idols, as the Al-Saud of today are the servants of the western "Antichrist" in Makkah and Madinah.

Muhammad (SAWS) came with the panacea. He himself was a shelter and directionless orphan, raised by a she-slave, Barakah. He had cleaned the House of God, Kaabah, from man made gods, and liberated the oppressed like Barakah, Bilal, Ammar, Zaid and the likes, from the persecution of class and racial discrimination, to raise them not to be equal only, but to be called the mother of Rasulullah and to be commanders of the Army of Islam over the racial nobles!

The Final Messenger of Allah (SWT) had made a crushing reform in financial matter. Acting on the dictates of Allah (SWT), he totally uprooted usury from the society. His uncle Abbas and his friend Abu Sufyan, who were the chief dealers in usury, were reduced to paupers over night, when the Messenger of Allah had written off their bonds of usury. Islam had eradicated all forms of exploitation-oriented monetary deals and businesses from the society.

The usury is completely banned by the Quran and termed it a grievous sin by the tradition of the Prophet (SAWS), as if somebody commits adultery with his mother.

Islam and its last Messenger (SAWS) has set up the financial law and the fiscal policy as simple as follow:-

1. The believers of Islam must pay 2.5% of their capital on yearly turnovers to the State Fund, Baitul Maal, as Zakat. And the IMAM shall pay his all wealth and property to state like the Prophet (SAWS).

2. They must pay 20% of their gains from all of their financial growth, be it usual business, farming, and all other developments, to the FUND OF IMAM. This payments must be paid on the basis of self assessment. State shall not inquire in the assessment. If any person assesses less, intentionally, his all worship shall go in vain, and he would be answerable to Allah (SWT) on the Day of Judgement.

3. Non-Muslims are to pay a sum of lieu amount, instead of Zakat and Khums (2.5% and 20%) for their services, security and share in the state. This is called "Jizyeah" in the Quranic terminology. This is not a ransom or slavery tax, as the enemies of Islam portray it.

All other taxes levied by the Qureishi, Umyyads and the Abbaside ruler after the departure of the Messenger, has nothing to do with Islam. But were extortion of Arabs in the name of Islam.

They levied all these taxes to enslave again the people liberated by the Messenger of Allah (SWT).

When the first promoter of Umyyad empire had started the violation of the norm of the Prophet (SAWS) in the distribution of wealth, Abu Dhar, Ammar, Ibn Masood and the cashier of State Fund had vehemently opposed it. But they were overpowered and silenced, and some of them were banished and tortured to death like Abu Dhar and Abdullah Ibn Masood.

As a result the reforms of Islam was annulled, and the Arabian Dynastic rule of exploitation was established under the garb of Islam. The blessings of Allah (SWT) and His Messenger

(SAWS) were reversed. The New Nation of Islam again was plunged into barbaric exploitation by numerous taxes and levies.

Allah, the Lord, and the Sustainer of His creatures, had again helped a man from the nefarious Umayya dynasty to rise on the ideals of the last Messenger, to rekindle the light of the welfare state of Islam again. He is Umar Ibn Abdul Aziz. He ordered the cancellation of all taxes and levies imposed by his predecessor Umayyad despots. He again introduced the serene and simple life and the living of the Prophet (SAW) and his true followers. As a result, a heaven of economic prosperity came to his vast domain, from Turkey in the west to Sind in the east, and from Africa in the south to the central Asia in the north. No beggars or poor were found to accept Zakat and alms. Whereas, during the periods of his predecessors, people were starving and lived in utter poverty.

He had declared that "Muhammad (SAWS) was sent by Allah (SWT) as a guide to salvation, not a tax and levy collector."

بَعَثَ اللهُ مُحَمَّداً هَادِياً، ولم يبعثه جَابياً

The present world of hunger, poverty and sub-human life of mankind is due to imposition of various kinds of direct and indirect taxes on the people by their respective governments on the dictation and the terms of the World Bank, IMF and the various consortiums, who lend money on usury. The present cry of free market and free economy is nothing but the heinous conspiracy of the global usurper money lender to suck the blood of the poor by the over consumers. They are out to enslave the working forces of the globe for their diabolic

ends, so that the oppressed majority of world cannot think of uniting against the Satanic minority of the so-called developed G-7.

Allah (SWT) had made an example by an offshoot from a vicious Umayya family, Umar Ibn Abdul Aziz, who turned a hellish monarchy of all kinds of vices into a heavenly kingdom of all virtues within the span of only two years and five months, by the change of a single person to the teachings of Islam and the practice of Prophet (SAWS). He declared categorically that the rule of Umayyads was the rule of renegades after Islam, as the grand son of Muawia, Muawia II, the son of Yazid had declared earlier.

Islam is the Religion of Allah for the total benefit of mankind. It divides men into two categories, obedient and despots. The obedient are only faithful and Muslims. The despots are infidels, renegades, hypocrites and unbelievers. The believers have no races and colours to prejudice, like Caucasoids, Mongoloids, Negroids and Australoids, nor they can be divided as Syed, Qureishi, Siddiqi and Farooqi etc. The have only one colour, the colour of Allah. صِبْغَةُ الله

Adam (AS) was colourless, with the only colour of his Lord, Allah. His progeny has to be so. Muhammad (SAWS) is the last and the final player of the role of Adam (AS), who again raised a colourless ideal contingent of the Divine Colour by Barakah, Khadeejah, Zaid, Bilal, Ammar, Ibn Masood, Suhaib and Salman etc. to set example for Ali, Abu Bakr, Umar and others of Arabian and Qureishi prejudices, to turn to the only colour of Allah. The people who lied in the name of final

Messenger (SAWS), whoever they may be, are to search their seat in the Hell. مَنْ كَذَّبَ عَلَي مُتَعَمِّداً فَلْيُتَبَّوْأ مَقْعَدُهُ مِنَ النَّار

The persons who said "The Imams are from the Qureish only" and made all the 10 from only the Qureish, to have been informed in advance to be in the Heaven, that too in the name of the Messenger of Allah (SWT), and none from outside the Qureish, be they the Ansars of Madinah, or the founding slaves and oppressed, and pushed to the background those whom the Messenger (SAWS) had brought to the forefront, and asserted and reasserted their lead before his death, are the people whom Allah (SWT) has portrayed in the Quran. "They are those, who exchanged the favour of Allah by ingratitude, and pushed their people to the end of disaster, the Hell, they will be thrown into it, how bad is their end." أَلَمْ تَرَ إِلَىَ الَّذِيْنَ بَدَّلُوْا نِعْمَةَ اللهِ كُفْرَاً وأحَلُّوا قَوْمَهُمْ دَارَ الْبَوَارِ جَهَنَّمَ يَصْلَوْنَهَا وبِئْسَ الْقَرَارَ

## THE LAST WORDS

O Allah, give us a group of the kind, Your last Messenger had prepared, to unify the world under Your vicegerency, erasing all the divisions of racial, communal and colonialism of American, European, Arabian and Asian prejudices, and accept us among them, to liberate Makkah, Madinah and the Al Aqsa Mosque, as points of unity for mankind again.

O Allah, grant and promote us like you granted Noah, Abraham, Moses, Jesus and Muhammad, to fight out the Antichrist of the "Impostor Trio" the Zionism, Christianity and the Mohammedanism under the 'gang leader' America, and bear witness, that Abraham, Moses and Jesus were neither Jew and Christian, nor Muhammad was a Qureish, Arab, Sunni or Sheiah. They all were but Muslims. Make us follow them as Muslims, like Barakah, Khadeejah, Zaid Bilal, Ammar, Abu Dhar Ibn Masood, Suhaib, Salman and the Usamah, who were non racials, only Muslims! Ameen.

# THE NOTABLE NOTE FOR THOSE WHO OBEY GOD GODLY

## NOT FOR THOSE WHO DIVIDE MANKIND DOGLY.

This book is not an ordinary book. This book is a laser exposure of the Truth over the darkness of falsehood.

This book is an exposure of the criminals who committed crimes on the sponsor of devil against God, His messengers and the mankind from the very inception. Their crime is unpardonable in this life and the life after death.

Moses (AS) the messenger of God, on completion of his mission went to the mountain to bring Torah for the children of Israel, and his stay prolonged, his companions had fabricated a calf to worship it. They were severely chastised by Moses (SA) for that sinister act. But even then, after the death of Moses (SA) his people went astray and racially became Jew!

The messenger of God Jesus (AS) came to bring back the gone astray Israelites ot their home again, his number one companion sold him to the enemy only for thirty silver coin to be killed. None of his close companions came for his rescue. But Allah took him to His refuge from the hands of his treacherous companions. But after that too, those shameless companions hung the cross in their necks to be called the Christians?!

The final messenger of God Muhammad (SA) came and accomplished his mission. He categorically warned his companions about the consequences of the people of Moses and

Jesus (SA) and expressed his apprehension about them too equally.

Alas! His companions, except the oppressed and helpers of Madinah, followed Samiri and Judas instead of the messenger of God. They left the body of the Prophet unburied for days to grab power, and buried his Message before they buried his body, that too without his life long practiced funeral prayer!

The Makkans and their godfather of apostasy, the Qureish had established the tribal imperialism in the good name of Islam. The Satan was their Master, not the God and messenger.

This writeup is the faithful bold witness of the following findings after the excavation of the buried legacy of our fathers of faith, Noah, Abraham, Moses, Jesus and Muhammad, peace be upon them, to liberate the mankind for God's sake from the ramshackle prison of Zionist Jews, Zionist Christians and racist Arabs, who played, and are playing dogs and gods against the Almighty God and His Messengers.

This book is further a burial service for good of the Zionist design of Christianity and Mohammedanity, for ultimate rise of the Sun of the Divine Humanity higher than the angels of Heaven.

In this event of exposure and rise, my Lord, Almighty God alone is enough for me. I am His servant.

Those who would rally behind me, certainly they would do so for their own benefit. I do hanker not for any benefit if the globe follow the suite. But there would be no

limit of joy for this humble slave of God, if this sinful earth turns heavenly for God, renouncing Satan and his progeny.
